Vol. XI, No. 13 — Lafayette — Orinda, California — Friday, June 12, 1953 — Ten Cents

THIS IS AN ARTIST'S DRAWING of the proposed development of the Pine Grove area at the northeast corner of Orinda Crossroads, as outlined by East Bay Municipal District for the Orinda Association. Shown in the right center is a 107,000 square foot shopping center adjoined by residential development. A deposit on EBMUD land across the highway from Pine Grove has already been received for the construction of a medical building, and plans are underway to construct a church. — Tribune Cut

United Crusade -- Pro and Con

Groups For and Against Joining East Bay Fund Drive Line Up Arguments

By CHARLES BOSLEY

Both support and opposition to joining the East Bay United Crusade have shaped up in the few weeks since the question arose in the Walnut Creek-Lafayette-Orinda area.

At the latest count, three local charity organizations — Boy Scouts, Y.M.C.A., and Contra Costa Cancer Association — are in favor of joining.

Six others — Contra Costa Heart Association, Mt. Diablo Therapy Center, Mt. Diablo Chapter American Red Cross, Girl Scouts, Contra Costa Crippled Children's Society, and Salvation Army — oppose allying themselves with the crusade.

The specific arguments on both sides are summarized in the two stories following:

Opponents Fear Loss of Identity, Exhorbitant Costs

Organizations opposed to joining the East Bay United Crusade say that they will lose their individual identity in the eves of the public if allied with dozens of other groups in one over-all drive.

One spokesman reports that his organization's fund campaigns have been "a splendid opportunity for public relations for all of our other activities."

Joined with 150 to 175 others in the United Crusade, we can no longer make an appeal for the American Red Cross as such, says Edmund Barnett, president of the Mt. Diablo Chapter board of directors.

SPEAKING FOR the Mt. Diablo Therapy Center also, Barnett points out that this charity is distinctly local in nature and service and does not want to ask outsiders to donate.

Even if the Therapy Center did do this, it also would stand to lose the identification as a Walnut Creek-Lafayette-Orinda charity organization which it is only now beginning to establish, he adds.

Admitting that this is a "bedroom community," opponents of joining the United Crusade ask about the truth of claims that payroll deductions by commuters to Oakland have cost this area thousands of dollars.

They point out that "no complete statistics" have been produced. They say that "large generalities" have been made with no facts to back them up.

Even if this area joined the East Bay Crusade, the many payroll deductions made in San Francisco would still not be returned to charities here, opponents argue.

On the other hand, they say that numerous retired persons and families live in this area and donate to charity through local groups. They suggest that the United Crusade is interested in getting in on those donations.

The costs run up by the United Crusade in its fund-raising activity are also questioned by opponents of joining the drive.

John Laverty, Girl Scout representative, says that his organization has never had overhead costs of more than 3 to 3.5 per cent, while the Crusade held last year had costs of 11.2 per cent of total collections.

That costly a drive is no apropriate to rural areas like ours where volunteer workers do the soliciting, Laverty says, pointing out that the United Crusade hires professional workers whose high salaries must come out of donations.

Laverty is one of several spokesmen who have expressed interest in forming a united fund drive here to coordinate just those charity or-

Commuter Pledges Lost -- Advocates

Support of joining the East Bay United Crusade appeared at meetings in Walnut Creek and Orinda where polling of individuals present showed a majority favored the plan.

Elsewhere tht Walnut Creek area Chamber of Commerce board voted for the plan and, in a tabulation of members, found that 37 voted "yes" to 19 "no" (incomplete returns).

Leader of individuals favoring alliance with the East Bay fund-raising organization is Peter Howard of Walnut Creek. He has cited arguments for the plan which center around five main points. The first of these has to do with payroll deductions.

THE HUNDREDS of local residents who are employed in Oakland and the Bay Area have donated to the United Crusade through payroll deductions, no part of which return to the county.

Inclusion of Walnut Creek, Lafayette and Orinda in the crusade is the "most logical and simple method" of seeing that the area gets its fair share of those contributions, Howard states.

He goes on to explain that payroll deductions are the most effective method of solicitation because the confusion of recurrent door-to-door drives is eliminated.

Furthermore, the United Crusade last year collected almost 94 per cent of its quota, a figure which is much higher than the average of local fund-raising organizations, he says.

ALSO, THE UNITED CRUSADE collects contributions from industry itself, as well as from individual employees. This money has not been, and will not be, available to this area unless it joins the crusade, Howard explains.

He goes on to point out that surrounding communities like Concord and Martinez have already taken steps to join the East Bay United Crusade and states the opinion that the local area should also cooperate now while it is still in the formative stage.

Methods of fund raising will be harder to change as they become more and more habitual, he says, expressing the opinion that formation of some kind of united effort must eventually develop here.

To an argument offered by several groups opposing the plan, Howard replies that the some workers and administrators will operate the local council which will direct United Crusade activity here.

"I SEE NO REASON why any organization will lose its identificatoin if its own workers are doing

Fire Department Warns Against Fireworks Use

The Orinda Fire Department cautioned this week that fireworks are illegal in Contra Costa County.

With the Fourth of July getting closer, Chief H. E. Wyatt issued the following statement:

"The Fourth of July and its accompanying problems is rapidly approaching. In order to avoid any possible misunderstanding we feel that we should familiarize the people of Orinda with parts of our county ordinance relative to fireworks.

"Ordinance 684 forbids the sale or possesion of squibs, rockets, crackers, roman candles or fire balloons or any other combustable fireworks, or any article for the making of a pyrotechnic display in Contra Costa County. Violators are liable to $500 fine or six months imprisonment or both.

"For your children's safety and your own, plase cooperate."

Talk About Joining East Bay Goes On; Local Drive Studied

Another area charity organization announced this week that it will not join the East Bay United Crusade, but discussion of the plan continued.

Peter Howard, chairman of a committee considering formation of a United Crusade council here, reported that a meeting called for Monday night was not held because a sufficient number of representatives could not attend.

At the same time, there was some discussion among leaders of fund-raising groups about forming a united fund drive in the Walnut Creek, Lafayette and Orinda area alone.

JOHN LAVERTY, Girl Scout representative, said that he would be in favor of a local united drive to combine the activities of charity organiaztions in the three communities.

The Girl Scouts are among the six groups opposed to joining the East Bay Crusade. They believe that the costs of the Oakland drive are too high for local organiztions which are rural in nature and depend on volunteer workers, without professional assistance.

Reese Starr, leader in the Richmond United Crusade, an independent fund-raising campaign made up of individual organizations in the western part of the county, told The SUN today that the plan has worked out well.

Comparable in many respects to the kind of united drive which might be set up here, the Richmond drive reached over 80 perecent of its goal last year, Starr said.

AT LEAST THREE of the organizations which here oppose joining the East Bay Crusade — Red Cross, Heart Association, Girl Scouts — are working with the local crusade in Richmond.

Payroll deductions for Richmond residents to work in Oakland and San Francisco are a problem, Reese admits. These same payroll donations have been cited here as a reason why the area should join the East Bay Crusade which collects those donations in Oakland.

Starr explained, however, that Richmond is against joining the East Bay Crusade. We will join a crusade which takes in the whole Bay Area, he said, but not just the East Bay drive.

The Richmond United Crusade covers other communities in the western part of the county, including El Cerrito, San Pablo and others. It employs one full-time stcretary-manager and several full-time office employees.

Tax Funds Will Speed Freeways

Freeway construction in Central Contra Costa moved closer to reality this week with the passage of a gas tax increase by the Legislature.

Construction of the connecting link between the presently-scheduled Orinda Traffic Exchange and the proposed Lafayette By-pass is now possible in the near future.

In addition, such construction as the Walnut Creek By-pass and other freeway construction throughout the county, which was thought to be years away, is now much closer.

In the case of the connecting link and Lafayette By-pass, the planning has already been done by the state but construction has not been scheduled due to lack of funds.

A. E. SIMMONS, district design engineer for District IV, State Division of Highways, said that "it would be presumed that the order of work (on a statewide basis) would be determined by necessity and it is obvious that such roads as the Walnut Creek-Oakland freeway would rate fairly high on the list."

Funds for construction would come come from the 1½ cents additional gasoline tax which will be levied for the next two years, and the one cent increase which will be in effect for the following eight years. The measure was a last minute compromise by the legislature.

THE MONEY ACCRUED during the first two years of the tax will be allocated according to the existing Mayo formula which guarantees Contra Costa County a minimum of 4.1 per cent of the money allocated to the Northern California counties. This has amounted in the past to about two million dollars per year for new construction, and according to Simmons, will amount to approximately twice that under the new tax.

The money brought in during the following eight years of the program will be allocated according to a plan primarily drawn up by the rural minded Senate.

The construction of new freeways is determined by the State Highway Commission, which is primarily concerned with the necessity for roads, and the financing of them. With the increased funds made available, it is presumed that the highway construction program can be speeded up, and that part of what was previously unscheduled for lack of funds can now be built, said the engineer.

SIMMONS POINTED out that the present funds available for construction will almost double the first year that the tax is in effect, and that many projects which have been planned but not constructed can now be scheduled.

He added that the problem lies in the decision as to which freeways will be constructed, because the state is roughly 22 years behind in construction. He said that there is an excess of three billion four hundred million dollars worth of highways which are needed but have not been financed.

Engineers Explain Traffic Routing During Orinda By-Pass Construction

Traffic control during the construction of the Orinda Interchange was explained this week by A. E. Simmons, district design engineer for District IV, State Division of Highways.

He explained that at no time will there be less than four lanes for traffic, and that the signals will be in operation up to the point where they are no longer needed.

He said that traffic will be controlled in four stages during the construction job.

1. DURING THE FIRST stage of construction, the northern half of the underpass structure will be built to the north of the existing highway. During this phase the signals will operate as they do at present.

He added that there will actually be two structures built with division strips between them, and at this stage it will not interfere in any way with the present highway. This will be a four lane structure and the fill approaches to it will be made and portions of the final paving placed. This will take about six months.

2. Traffic will be detoured over the new structure both ways and carried back into the signalized intersection. This will be a big loop, explained Simmons, which will be located considerably to the west of the present crossroads. Eventually it will handle only north-bound traffic. However, he pointed out, during this stage of construction it will still carry as much traffic as the present highway.

HE EXPLAINED the traffic situation as proceeding very much in the same way it did when Mt. Diablo Boulevard was blocked by a slide in 1950. While traffic is detoured around the loop, the present highway will be excavated and the second half of the structure will be built.

The existing signals will still be in operation.

The connection on both sides of the structures, one leading to Moraga Highway and the other to Orinda Village will be constructed at this time. This will take an estimated six months.

3. BY THIS TIME the underpass structure and approaches will be completed, said Simmons. The left-turn to Orinda Village for east-bound traffic will be removed and that traffic will use a new right turn which will carry it around in a loop under the highway. Left-turn traffic for west-bound traffic will be looped toward Orinda Village and use the same underpass. Cross traffic will also use the underpass.

All traffic, cross or loop, will have been removed from the present intersection, said Simmons, so the signals will be removed.

4. The final touches will be added, such as the completion of freeway lanes on each side of the two structures, that is, widening the present highway about half a mile on each side of the interchange. Other right-turns will be added to complete the freeway.

SIMMONS ADDED THAT the fire department will always have complete access to any part of the highway because the signals will be opuerating just as they do now until they are no longer necessary.

The only thing that will slow traffic, he said, is a few curves, but the road will be designated a 25-mile-per-hour zone anyway during construction.

"There will have to be some adjustments made when lanes are switched," said the engineer, "but any adjustments will be made off of peak hours so that peak traffic will be disturbed as little as possible, as commensurate with the magnitude of the job."

ADVERTISING FOR BIDS on construction of the project has been delayed until about September 1, othes highway officials disclosed this week. Previous estimates suggested actual work on the job might be started soon since the contract had been expected to be let sometime during July.

Necessity of completing certain rights-of-way, and arrangements for relocation of various utility installations before the building project caused the delay, according to Frank B. Durkee, Director of Public Works at Sacramento.

Bill Approved For Shepherd Canyon Road

The Legislature this week approved a bill which would permit a trade of highways to pave the way toward eventual construction of a Shepherd Canyon tunnel and freeway.

The Assembly agreed to place the Shepherd Canyon route — up Park Boulevard in Oakland, through a proposed tunnel and through Contra Costa County to join Mt. Diablo Boulevard in the vicinity of Pleasant Hill Road — in the state highway system.

The bill has already been adopted by the Senate, but will have to return to the upper house for concurrence in technical adjustments.

In return for construction and maintenance of the Shepherd Canyon freeway by the state, Contra Costa County would take over maintenance of the eight-mile Martinez-Crockett highway and the City of Oakland would take over several miles of present state highway.

Construction of the freeway will depend entirely on how it is financed, according to state highway authorities. Inclusion in the highway system does not indicate immediate construction, but is simply the initial step, they pointed out.

Contra Costa County has carried out a tentative center-line survey in order to insure the right of way, and a copy of the survey has been filed with the planning commission to protect the route, said County Road Commissioner Victor W. Sauer.

The tentative route will parellel St. Mary's Road from Moraga east to a point near where Rheem Boulevard and St. Mary's Road cross. There it will cross the Sacramento Northern tracks and continue west of St. Mary's Road to join Mt. Diablo Boulevard in the neighborhood of Pleasant Hill Road.

Orinda Dramateurs To Meet Tonight

Thirty members from Orinda, Lafayette, Walnut Creek, Martinez, Concord, Berkeley and Oakland attended the meeting of the Orinda Dramateurs held Monday evening at the home of Mr. and Mrs. Clarence Betz at 12 Sunrise Hill, Orinda.

Bob Anthonisen of Orinda gave a a report on the status of the Orinda Community Center saying that plans for a Community Theater are being held as a master plan for development of the community center tentatively call for the construction of a library building first. However, the community theater project will receive early consideration, he said.

The members of the dramateurs were unanimous in their agreement to support the project.

Anthonisen, as a member of the Orinda Association as well as the Dramateurs, assured the group that all efforts were being expended toward accomplishing the Orinda Community Center.

Members and guests also enjoyed audience participation in reading excerpts from plays such as "Mrs. McThing," "Hilda Crane," "The Male Animal" and "Season in the Sun" which are under consideration for presentation during the fall and winter season.

Another unanimous decision was reached when the Dramateurs voted to accept sponsorship from groups and organizations interested in fund raising projects.

Due to the enthusiasm of the group, it was voted to continue Dramateur monthly meetings through the summer for the first time. The next meeting to be held in the home of the president and his wife, Mr. and Mrs. Bruce Winkworth, 14 Valley Drive, Orinda, tomorrow at 8 p.m.

Englehart Named ASUC Director

Gregory Englehart of 26 Robert Road has been appointed the new director of Associated Students on the University of California campus.

Schools Realize $2320 Benifit From 'Absurdia'

The Orinda schools received a total of $2320.66, net proceeds from the benefit show, "Absurdia in Suburbia," Mrs. Marvin T. Bonds, this year's club president, stated today.

"The School Board of Trustees was given a check for $1978 to be used for the purchase of cafeteria-type folding tables and benches and phonographs for the primary grades," Mrs. Bonds said. "This sum resulted from ticket sales. The remainder of the net profit was obtained from food and refreshments sales, and this amount will be used to continue the Mothers Club library assistance program, supplemented by funds from other club money-making projects," Mrs. Bonds explained.

Librarian Hears State Speaker

Mrs. Josephine Dawson of Orinda Branch Library was among the forty-seven Contra Costa County Library staff members who heard Mrs. Carma R. Zimmerman, California State Librarian, speak on public library standards at the annual conference of branch librarians, under direction of Miss Jessie A. Lea, County Librarian, May 27 in the Antioch Women's Club Building.

Canyon Pupils Hold Annual Pet Showing

Children of the Canyon School held their annual pet show Monday from 10 a.m. until noon.

Board Discusses Sites, Approves Proposed Budget

Discussion of a fourth school site and approval of the tentative budget were the major accomplishments of the Acalanes High School District Board of Trustees meeting Tuesday night at the school.

No exact location was decided by the trustees who are looking for a place to build in the area south of Lafayette.

The tentative budget calls for $682,910 for operation costs and $302,080 for capital outlay, a total of $984,990. This budget is larger by some $30 per pupil than the present budget. Public hearing was set for Aug. 4.

The increase is due, according to the board, to increased instructional costs, recent salary raises granted teachers and increases in the eaching staff to meet enrollment increases.

In other action, the board decided that classroom wings to be built at Las Lomas High School would be the same size as the present wings.

The board was looking into the possibility of cutting the size of the wings in order to save costs, but decided that the saving was not worth the cost in space lost.

The board also accepted the resignation of Wilbur Twining who said in a letter that his interest is in physical education and that he saw no future for himself at Acalanes High School.

Orinda Couple Wins Suit From 'Bones' Remmer

Alexander B. Morris and his wife Lucille were awarded $7000 this week as a result of a suit filed against Elmer "Bones" Remmer last year.

Superior Judge Norman A. Gregg ruled in favor of the couple who sued Remmer, his wife Helen and his sister Dorothy for damage done their $60,000 home at 19 Overhill Road by a slide of tons of earth and rock from eight adjacent lots owned by Remmer.

Judge Gregg ruled that Remmer and his wife must pay the Morrises $2000 for a threat of further slides and consequent diminished value of their property, and that the Morrises had already suffered $5000 damage to their house and grounds from the slide, but since the plaintiffs recovered this sum from the insurance company for Gallagher & Burk, contractors who leveled and filled the Remmer lots, Remmer was not assessed for this amount.

Remmer's sister Dorothy was absolved from the judgment.

The suit went to trial in December and concluded Christmas Eve. Judgment was handed down Monday following filing of briefs by attorneys for both sides.

Remmer, who maintains residences in El Cerrito and Reno, Nev., has never built a home on his Orinda holdings. He had the property leveled in 1947 by Gallagher & Burk after meeting Gallagher in an Orinda night club about five years ago, he said at the trial.

According to testimony given, the slides resulted from changing the natural contours of the property which lies above the Morris home.

First Hearing of New Subdivision Ordinance Held

The first public hearing of the proposed new subdivision ordinance for the county was held in a quiet session of the County Board of Supervisors yesterday. The second hearing will be held June 26.

King Parker, executive vice-president of the Contra Costa Real Estate Board, told The SUN some agreement had been reached between contractors and representatives of the County Road and County Surveyor's Departments, who have been working on the ordinance.

THE SUPERVISORS complimented the committee of representatives for their work, he said.

It is reported that for the second public hearing the committee will submit alternate proposals to the board on items on which it cannot reach agreement.

The chief differences of opinion between contractors and county officials have to do with specifications for sidewalks, streets, curbs, gutters and drainage.

Creeping Walkout Affects Building

The building situation in Central Contra Costa County remained uncertain this week due to the creeping walkout of hodcarriers and laborers.

The Associated General Contractors of Northern California were to decide this week whether or not they would shut down major construction in the area in order to settle the dispute. The laborers are asking a 20 cent increase to their $1.85 pay scale.

One contractor reported that it had not affected his work at all, but that the H. C. Capwell project in Walnut Creek had been shut down since last Friday. He also said that on the other hand the Kaiser Foundation Hospital project was still in operation.

The laborers will work on any job which grants them the increase, but have been walking off of jobs which have not granted it.

Negotiations between the Northern California District Council of Laborers and the AGC broke off a week ago when the AGC refused to meet the laborers demand for a pay boost after 10 cents an hour was granted to carpenters and teamsters.

Orinda Roads To Be Repaired

The County Board of Supervisors Tuesday night approved plans and specifications for reconstruction of several roads in Orinda.

The approval was given upon the recommendation of County Road Commissioner Victor W. Sauer.

Bids will be opened July 1 at 11 a.m. covering portions of the following roads:

Brook Bank Road, Ranch Road, Oak Lane, Las Vegas Road, Via Las Cruces, Washington and Normandy Lanes.

In other action the supervisors approved the following land use permits upon the recommendation of the County Planning Commission.

Marie A. Cammisa, 20 foot set back, lot 304, Sleepy Hollow Unit 3.

G. E. Marovsek, five foot side yards for a tool shed, lot 62, Moraga Del Rey Unit 1.

Etalo Fassio, 16 foot set back with 12½-ft. side yard for residence and car port, lot 16, Moraga Del Rey, Unit 1.

Rotary Hears of Thomas A. Edison

The Orinda Rotary Club heard Dr. Marlan K. Strasser speak at its meeting at the Willows Wednesday noon.

Dr. Strasser is director of safety for the Casualty Insurance Companies of California. His subject was "Speed Kills . . . Take It Easy."

Program chairman was George Eberhart.

Planners Act on Lot Division

The County Planning Commission Tuesday night recommended the denial of a land use permit to Frances A. Lax to re-subdivide an Orinda lot.

Lax asked permission to divide lots 59 and 60 of Haciendas Del Orinda, Unit 1, into two parcels less than a half acre each. The lots are a corner parcel fronting on the east side of Mira Loma and the west side of Linda Vista.

The Commission recommended the permit be denied on the grounds that it would be a substandard division for the area. There were no protests.

In other action the planners recommended the approval of the following permits:

O. M. Washburn to have five foot side yards for a garage located on a descriptive parcel of approximately two acres fronting on the east side of Howard Street approximately 500 feet north of Sacramento Northern Railroad, in the Lafayette area.

Hayden S. Gordon to have 15 foot set back for garage and five foot set back for residence located on lot 69A, Moraga Woodlands Unit 2, fronting on Culver Court.

There were no protests.

Last Rites Held For Mrs. Freda Lynn

Funeral services were held Wednesday for Mrs. Freda Lynn, 54, who died Monday at her home.

Mrs. Lynn, wife of the late H. T. Lynn, made her home at 12 Woodland Way. She had been an Orinda resident for the past 11 years. She was a native of New York.

She is survived by a sister, Mrs. Amelia Schoug of Los Angeles.

Private inurnment services were held at the California Crematory in Oakland.

SUN Sub Contest Enters Final Week

There is just one more week in The SUN Circulation Contest. Some member listed below will be driving off in a brand new Chevrolet Sedan from Reichhold Chevrolet in Walnut Creek, another will be happily packing for the trip to Mexico City and environs, and three others, one each from the Orinda area, the Lafayette area and the Walnut Creek area, will be worrying about how to spend $100.

Here are the standings as of Tuesday night:

ORINDA AREA	
Mrs. Carrie Brown	541,500
Miss Cindy Rasmussen	530,500
Miss Carole Holabird	500,000
LAFAYETTE AREA	
Mrs. Elaine MacPhail	536,500
Mrs. Helen Haines	506,000
Blake Bervei	504,500
Mrs. Geri Fry	461,500
Nathan Lincoln	93,500
WALNUT CREEK AREA	
Mrs. Anna Martin	525,000
Mrs. A. L. McClure	505,000
Mrs. H. L. Schnoor	503,500
Mrs. Kathleen Schick	501,000
Mrs. Florence Wald	357,500
Larry Herman	339,500
Mrs. Adrienne Dekar	325,000
Miss Joan McAdams	160,500
Miss Mary Ellen Johnson	118,500

OF COURSE, everyone will win, ecause those who don't win one of the top prizes will be paid a liberal cash commission on all subcriptions turned in by them.

The standings through this week have been by the week only, but next week the tallies will be for the entire campaign, excluding reserve votes. All votes will be published after the contest is over.

Club members are requested to check their votes as they appear in today's SUN, as they will be asked to certify their correctness to the judges of the contest, all local residents.

Summer Hot and Summer Cold .. Brr

We found the weatherman engrossed in an old college textbook that was covered with dust and a little mouldy.

"I just thought maybe I'd find something in here about how to correct this weather," he said, looking guilty. "It just isn't like summer. But then, I suppose you want a report anyway."

We said that we did, and he told us that the warmest day between June 4 and Wednesday night was last Friday with 73 degrees, and the coldest night was Wednesday with 41 degrees. And there were .32 inches of rain, bringing the seasonal total to 30.92 inches.

When we left, he was still trying to correct the situation.

Wave of Burglaries and Vandalism Cleared Up with Juvenile Arrests

A wave of Orinda burglaries, a robbery ,the vandalism of Acalanes High School and vandalism in the new shopping center being constructed in Pleasant Hill were cleared up with the round-up of three gangs of boys Monday.

The youths ranged in age from 6 to 17 years and were taken in by Sheriff's deputies.

ONE 14 YEAR old boy, thought to be the ringleader of a gang of five ranging up to 17 years in age is being held in the County Juvenile Hall.

Eleven others are in the custody of their parents until the end of school when steps will be taken to bring them to juvenile court, according to Norman Wilson, sheriff inspector.

Twelve burglaries in the Orinda area were confessed to by the 14 year old now in custody, according to Wilson.

Vandalism in the Pleasant Hill Shopping Center, next to Walnut Creek Fire Station No. 2 was solved with the rounding up of eight boys.

DEPUTY SHERIFF Frank Rizzio who investigated the damage, said it ran to $200. The boys admitted climbing on the roof, riding around on the revolving ventilators, removing them and climbing through to the attic to trample holes in the ceiling.

Windows were also broken. The group rounded up included one six year old, two nine year olds, a 10 year old, two 11 year olds and two 13 year olds.

Another group of four vandals worked over the Acalanes High School Sunday have reportedly confessed to deputies Lou Skuce and Lee Gallamore.

The four boys include two 11 year olds and two 12 year olds.

Three were Lafayette youngsters and one was an Oakland lad who was visiting here.

The four were discovered near the pool after they had thrown benches into it Sunday by David Stanley, dean of boys, who was working at the school.

STANLEY WALGREN principal, told The SUN that he would get in touch with the parents to get them to pay the school for the damage he estimated at $200.

They tossed ice cream and fruit cocktail around, after eating their fill and damaged the top of a freezer.

Skuce and Gallamore solved 12 Orinda thefts when they questioned the 14 year old ring leader of a gang of five, the oldest of whom is 17.

Four homes had been entered. They were those of Albert A. Norman, 216 Camino Sobrante; J. W. Dieterich, 317 La Espiral; William A. Davis, 201 La Espiral and F. W. Cooper, 36 El Toyonal.

A valuable stamp collection was destroyed at the Dieterich home.

OTHER CRIMES reported admitted were the theft of $50 in cash and other articles from the Acalanes High School; the theft and clouting of two cars from Orinda parking lots, the theft of gasoline from the Orinda Country Club, the theft of cash from Lafayette and Orinda news stands, and the theft of gas from Rick's Drive Inn.

A .38 caliber revolver was taken from an unidentified man on the highway near Lafayette in a strong arm robbery, according to the confession. They kneed and battered the man and later broke the revolver with a hammer.

In Opposition to United Crusade

(Continued from page 1)

ganizations which are locally active.

OTHER OPPONENTS have questioned the 11.2 per cent overhead figure itself. They say that United Crusade books show that over $300,000 was spent last year during the time the crusade was not campaigning for donations.

This figure represents another 12 or 13 per cent which must be subtracted from total collections and would bring total costs up to 24 or 25 per cent, they say.

Several local fund-raising organizations opposing an alliance with the United Crusade state simply that their national offices do not permit such a move.

Barnett points out that the Mt. Diablo Chapter of the American Red Cross has nothing to gain. The chapter has been making its quotas and would only be risking that record if it joined the drive, he says.

At the same time the Red Cross chapter would be "carrying the ball" for organizations not so fortunate, Barnett adds.

In Support of United Crusade

the fund raising," he says.

There is no reason why these organizations cannot continue their other activities throughout tht year and thus maintain their name in front of the public.

He also says that any organization which is now making its own quota in fund-raising activities would be in the position to bargain with the council for a fair return of funds collected by the United Crusade.

This statement was in reply to the that such organizations would only lose money by joining the United Crusade.

Smitten Resigns As Sanitary Board Secretary

Colonel H. M. Smitten resigned as secretary of the Central Contra Costa Sanitary District June 4 in order to accept a position with the Utah Construction Company.

He left by air for Tucson Sunday, and will spend a minimum of several weeks as consulting engineer on a railroad project which the company is undertaking in Arizona.

Colonel Smitten is an authority on bridge construction and has been retained by the company to supervise the erection of a series of railroad bridges.

Mrs. Smitten will remain at their home, 3367 St. Mary's Road, Lafayette, "to take care of the dog and cat."

Smitten's position as secretary with the Sanitary District will be assumed by Claude McPhee. He will take over the post in addition to his duties as office manager.

Truck Problem To Get Attention

The Diablo Highway Federation Tuesday night will tackle the problem of trucks on the highway during commute hours.

A meeting is scheduled between the federation and the new president of the Contra Costa Truck Owners Association. The meeting will be held at the home of Charles Nelson, 10 Orchard Court, Orinda, at 8 p. m.

Representatives of the Orinda Association and the Lafayette Improvement Association have agreed to have members present.

The Contra Costa Commuters' Association recently approved of the federation stand and has agreed to have a representative at the meeting.

Blind Club Will Meet Tonight

The Contra Costa Blind Club will meet tonight at the Eagles' Hall, 395 West Twelfth Street, Pittsburg, at 6 p. m.

A potluck picnic supper will be held, following which Rose Resnick, blind pianist, will be featured.

Miss Resnick is chairman of the national summer program for blind children.

Sewer Board Forbids Drain Hookup

The Board of Directors of the Central Contra Costa Sanitary District passed an ordinance at its meeting June 4, directed at cutting down the amount of storm water finding its way into the sewer system.

Ordinance 23 specifically prohibits the connection of house leaders to the sewer.

The ordinance was adopted as a result of reports by District Engineer Gerry Horstkotte indicating the gravity of the excess water problem to the Sanitary District.

IN ADDITION to prohibiting the connection of house rain-drains, to the system, it also forbids the connection of commercial auto wash racks and establishes a system of permits for treatment of industrial waste.

John A. Nejedly, attorney for the District, pointed out that it is not the intention of the ordinance to prohibit any normal domestic sewer use such as domestic garbage disposal units, but intends only to prohibit the deposit into the sewer lines of storm waters and waste products which impose an unnecessary expense in treatment.

In other action the Directors authorized tht engineer to purchase new equipment, including three trucks and backhoe ditching equipment.

In line with their recent policy favoring annexation, the directors issued specific terms under which six new annexation requests will be favorably received.

THE PROPERTIES involve a total of about 250 acres in various parts of the district service area. The largest single acreage considered was the Stubbs Ranch at the north end of the district. It includes approximately 180 acres near the Junior College.

Others involved were 32 acres of the Quandt property off Pleasant Hill Road; about 23 acres of Hearne Realty, near the Monument and small portions of the Wedgewood tract.

The Board applied financial conditions in line with its recent annexation policy and the decision will be left up to the petitioners.

Meridian Scouts to Camp at Wolfeboro

Boy Scouts of Meridian District are making big plans for a summer filled with camping experiences, trips to the National Jamboree and patrol activities at home.

Troop 217, Gregory Gardens, has made reservations for 14 Scouts and Explorers.

Troop 220, Walnut Creek: Jerry Cornelius, Richard Grove, Danny Noecker, Roger Schultz, Stanley Young.

In the third period, July 17-28, the following scouts have made reservations:

Troop 200, Orinda: Walter Bumgarner, Tom Thurston.

Troop 218, Lafayette: Edwin Greeneich, Ronald F. Landes, Roger Martin, Nick Roth, Bob Stratton, Bill Towers.

Two Scouts in Troop 207, Orinda, have reserved spots for fourth period, July 28-August 8th. They are: David Brown and Tom Mika.

As of last week, reservations from troops and individuals were coming in quite rapidly, according to John S. Youmans, district scout executive. The total sign-up to June 3 was for 156 campers in the first period, 150 in the second, 220 in the third, and about 75 in the fourth.

"Now that school is about over, we'll probably be flooded with applications," declared Ford Carr, camp director.

Record 29 Dons Win CSF Honors

A record 29 Acalanes seniors have won life memberships in the California Scholarship Federation, state academic honor society. Requirements for the honor are a minimum of three "A's" and one "B" for semester grades in regular subjects for four out of the last six semesters of high school.

Academic life membership winners were Richard Knobel, Jody Hall, Charles Keps, Martin Carovano, Bill Bedard, Georgellen Duncan, Carolyn Goforth, Steve Graves, Sandy Humble, Lawrence Harper, Les Heche, Keith Larson, Catherine Monroe, Howard Nemir, Connie O'Connell, Lynn Sellman, Chris Winters, Raymond Sheets, Dave Bridges, Thea Adams.

Nine of the life membership winners had the additional honor of recognition by Phi Beta Kappa, nation academic honor fraternity. Eligibility for Phi Beta Kappa awards requires CSF membership for all eight high school semesters.

Those receiving the honors were Joan Allen, Ned Davis, Judy Johnson, Betsy Lyser, Kay Mickle, Ed Neighbor, Beth Pickton, Margaret Roe and Jim Todd.

Cub Pack 211 Holds Final Meet

Cub Pack 211 held its last meeting of the school term Friday at the Orinda Community Church.

Cubmaster Roger Stark introduced Miles Sutliffe as a new assistant cubmaster, and a going-away resent was given to Mr. and Mrs. Frank Newman, who will be gone from Orinda for a year.

Of great interest to the boys was the proposed overnight trip to be taken July 11. The trip last July was such a success that it was thought worthwhile to repeat it this year.

IT WAS ALSO DECIDED to continue baseball games for the cubs throughout the summer.

A record number of awards were presented to the following boys:

Bill Caldwell, one-year pin and Silver on Wolf; Brian Collins, two-year pin and Webelo; Pat Gilmore, Denner, Assistant Denner and Bear; John La Maire, Assistant Denner; Mickey Wilber, Assistant Denner and Bear; Steve Abbott, Assistant Denner; Milo Spaich, Wolf; Chris Felchin, Wolf; Rickey Kendall, Wolf; Tommy Richards, Wolf.

Bob Newman, Silver on Lion and Webelos; Brad Olsen, Webelos; Charles Blue, Webelos; Philip Van Daff, Webelos; Michael Gillivan, Webelos; Tom Richards, Gold on Wolf.

The attendance award went to Den 2, the inspection award to Dens 2, 7 and 10 and the Antless Pants award to Den 2.

FRANK NEWMAN led the boys in songs after the presentation of awards.

Barbara Stark presented the evening talk as she described her participation in the Olympic Games in Finland last summer. She pointed out some of the humorous and entertaining events that happened during her trip.

Blueprint Names Staff for 1953-54

The Blueprint, student newspaper at Acalanes High School, this week published a special 10 page graduation edition complete with the traditional class predictions and summaries of the year's events on campus.

Jim Pitto was named editor of the school publication for the coming year, with Marcia Miilu and Phyllis Porter, news editors, Gary Turner, feature editor and Jack Tomlinson, sports editor.

Don Rathjen was named business manager and Jack Groth photographer. Circulation, advertising and bookkeeping managers are yet to be named.

County Girls State Delegates Honored

Lafayette Veterans Memorial building was chosen as the scene of a tea Saturday to honor Girls State delegates from Contra Costa County high schools.

The delegates are sponsored by local units of the American Legion Auxiliary.

California Girls State sessions will be held at Sacramento from June 17 to 24 and girls selected from the junior year in high school will study and practice functions of government.

Two girls from the group will attend Girls Nation in Washington, D. C., along with delegates from other states.

Community Church Presents Youth Day

The Outdoor Youth Day Program of the Orinda Community Church was held Sunday morning in the court next to the chapel.

Everett D. Howe presided at the program presented by the faculty and members of the Sunday school that included musical programs and dramatizations.

Stewarts Have Guest

Anne Martin, eldest daughter of the F. J. Martins of Soledad, was a weekend guest at the home of the David Stewart family in Lafayette while her parents were vacationing in Salt Lake City with friends.

Anne is Mrs. Stewart's niece.

David Grieve Is Student of Year

David Grieve, recent winner of the Lions Club speech contest and featured speaker at commencement exercises next Sunday, was this week named "Student of the Year" at Acalanes High School.

Active in public speaking, drama and program productions while at Acalanes, Grieve plans to study journalism and dramatics at Cal and U.C.L.A. and hopes for a career in radio or production.

He has been Acalanes reporter for radio station KECC, Pittsburg, and will work this summer as a staff announcer for that station.

All Quiet on the Orinda Front . . . At Least for Now

A number of recent events in Orinda are in a process of smouldering, but have not recently broken into flame.

For an area which has been vitally concerned over many issue, Orinda is quiet this week in what may be the lull before a storm.

Regarding the issue of power lines over the Orinda Country Club, which has been opposed by the Orinda Association and various community organizations, this is the status:

Henley Worthington, district manager of the Pacific Gas and Electric Company, had nothing to add this week. "We are waiting for the District Attorney's comments," he said.

The District Attorney, Francis Collins, was not available for comment. He was reported busy with a new subdivision ordinance, but said last week that he would arrive at a decision within 10 days on the legality of an ordinance precluding utility companies from constructing high-power transmission lines overhead through business and residential areas.

George Hauerken, director of the Orinda Association, has received a letter from Collins stating that he did not think such an ordinance would be legal, but Hauerken had no comment to make "until he talked to Collins."

As far as zoning and land in Orinda are concerned, the problem of business sites and master planning has come to a temporary halt. Stan Allen, who called an informal meeting of merchants and business property owners last week to discuss Pine Grove and development of other property for business use, said this week that nothing additional had been done, but that Ramsay Underwood was looking into the possibility of calling another meeting.

Ramsay Underwood stated that the affair was still the same and that the recommendation that the Chamber of Commerce get a planning expert if necessary, still stands.

Phil Wagner, manager of East Bay Municipal Utilities District properties division, stated that he had no comments to make on the Pine Grove site, and that nobody had approached him with regard to purchase or development of the land.

He also said in regard to other EBMUD properties in Orinda that the status quo still exists.

That is, there have been no new developments on the medical-dental building site on the west side of Orinda Highway across from Orinda School. Purchase of the property is in process, and according to Wagner a deposit has been received from Robert Bolman, who is purchasing the site with Dr. W. M. Caygill.

Wagner commented that there have been no new developments regarding the purchase of a site just north of that for use by the Church of Christ of the Latter Day Saints.

Demos Discuss National Policy

The monthly membership meeting of the Orinda Democrats was held June 3 at the Orinda Community Church.

A report was made by Representative to Council on the recent meeting of the Federation of Democratic Clubs of Contra Costa County.

Plans were made for meetings during the summer months. Members expressed an interest in extending invitations to representatives from other clubs to attend and take part in future meetings.

"A panel of speakers presented a rundown on the present administration's program of conversion of public power and national resources to the benefit of powerful private interests," said the secretary.

"Teh trend away from conservation of national resources was discussed and it was pointed out that the recent legislation turns over to four states vast resource of oil beneath the coastal waters and extending for many miles on the continental shelf at a time when the United States, as an oil deficit nation, imports one million barrels of oil a day; when the requirements of a jet plane make it necessary for it to consume from 300 to 500 gallons of fuel an hour as compared to 65 gallons per hour for the obsolete AP-51 fighter plane of World War II," he added.

Langridge Pleased With Fire Board

Charles Langridge, newly-appointed fire commissioner for the Orinda Fire District, is convinced that the present commission is a good one.

He replaces Warren Harrold, who resigned last week after serving on the board for 20 years.

Langridge and his wife Katherine have been Orinda residents for the past 13 years when they moved into their home at 216 El Toyonal Road. They have no children.

"I feel that fire protection district we have here in Orinda is one of the most important community activities we have," said Langridge. "I'll never be able to fill Warren's shoes, but I'll do the best I can."

He explained that he accepted the post upon the suggestion of Harrold, who invited him to attend a meeting and meet the rest of the commissioners.

"I did so in May," he said, "and I was impressed with the business-like manner in which the meeting was conducted. I told Warren that if the rest of the commissioners would go along, I would consider it a privilege, so he formally presented his recommendation."

Frank Leahy to Get B. S. Degree

Frank M. Leahy, son of Mr. and Mrs. Frank Leahy of 78 La Cresta, was among the 55 seniors who received academic degrees from St. Mary's College last Saturday.

He was awarded a bachelor of science degree in economics and business administration. He is a graduate of Edmonds High School, Edmonds, Washington.

Degrees were conferred by the Most Reverand Merlin J. Guilfoyle, D.D., J.C.D., Auxiliary Bishop of San Francisco. The commencement address was given by The Honorable Raymond J. Arata, Municipal Court Judge of San Francisco.

Butler Auto To Hold Open House

Butler Automobile Company, 3434 Mt. Diablo Boulevard, Lafayette, will participate in the program celebrating the millionth car built by the Chrysler Corporation on the West Coast.

The firm will hold a "Milestone Million" open house throughout next week, during which time the millionth car is scheduled to roll from the Chrysler Corporation's Los Angeles assembly plant.

It will be a Plymouth.

PF'ers Install New Officers

The newly-elected Orinda Pilgrim Fellowship officers were installed Sunday at the Orinda Community Church.

Presiding was Dave Perry, president of Northern California Pilgrim Fellowship.

The new officers are Bill Mott, president; Joyce Hudd, vice-president; Holly Stern, secretary; Robert Krotz and Mary Johns, co-treasurers; Marjorie Fish, Rosalie Guarneri and Carol Brabant, publicity; Parry Laird; recreation, Tania Hudd, Faith; Doug Krotz, Action, and Ray Sheets, refreshments.

These officers, with the leadership of Barbara and Ray Fowler, are planning many interesting activities for the coming year.

About our happy Country Folks

By EDITH BOLMAN

WELL IT IS NICE to find out who controls the weather around here. Mr. and Mrs. Herman Eickmeyer seem to have some sort of working agreement with Mr. Jupiter Pluvius to the effect that if the parties of the first part are giving a party, the party of the second part leaves town. On Saturday last the dawn drizzled in dank, damp and dripping. Every one became concerned for the Eickmeyers who had invited friends from far and near to cocktail with them between the witching hours of 5 and 7 p. m. By noon everything was pretty soggy but shortly thereafter Jupiter, the gent, folded up his rain cloud and evacuated the premises in plenty of time for the lawn and porch furniture to dry out for the party. Result: Excellent party and everyone had a gay time.

ALSO ON SUNDAY AFTERNOON Mr. and Mrs. Glen Spencer entertained with cocktails in their Hidden Valley home.

Off on a flying machine on Sunday morning were the William Babcocks for Chicago, then to South Bend to pick up a new car.

Another cocktail party on Sunday afternoon was given at the home of Mr. and Mrs. Robert Raskob for the purpose of acquainting the guests with the building plans of the Mt. Diablo Therapy Center.

And still another Sunday maneuver was the Four Ball Mixed Invitational at the Orinda Country Club. In Class A we have Mrs. J. C. Folliard and Dr. W. M. Noble with the low net of 149. Then Mrs. Art Somers and Don Doten with 152, who tied Mr. and Mrs. George Nash and Mr. and Mrs. Kent Davis for second low place. In Class B Mr. and Mrs. Lewis Mitchel, 155; Mr. and Mrs. Ramsay Underwood, 156; Dr. and Mrs. Stephen Jensen, 160; Mrs. J. W. Scammel and Dr. M. C. Green, 160. In Class C Mr. and Mrs. Robert Hoyt, 154; Mr. and Mrs. James Stone, 160, and Mr. and Mrs. Carl Elder, 161. There were 104 golfers competing and when we called the club on Sunday evening at 6:30 they weren't all in yet. This was certainly a busy weekend.

Girl Scout Troop 75 held Court of Awards at the home of Mrs. Sig Groenings on Thursday evening, June 4. Mothers and daughters attended and the following scouts received badges: Mary Goodwin, Roxane Hunteley, Pamela Trefts, Nancy Moot, Mary McFarland, Sandy Miller, Caryn Anderson, Susan Stewart, Pamela Phillips, Lynn Thompson, Kathleen Fitzgerald, Merny Decker and Madelyn Sears. Last Tuesday they had a hamburger supper and swim party at the Park Pool to finish the year's activities.

DID YOU EVER HEAR anything so phenomenal as a baby winning the $10,000 Coronation Stakes? In Hollywood? Now there are lots of babies who win things in Hollywood—bathing beauty babies, jazz babies and contest winning babies, but this one is a HE baby called Carolos, a two year old colt whose Mama's name is Bomb Dolly and whose Papa's name is Russia the 2nd. So what could you expect? This should all be said quite differently but we don't know anything about horse language so it is just Mama, Papa and He baby as far as we are concerned. Anyway the little darling came in first at Hollywood Park Race Track by two and one half lengths thereby making his foster parents, Mr. and Mrs. John O'Shay of Lafayette simply delighted. We also learned another thing about horses—no matter when horsey is actually born his birthday is considered to be the first of the year and his age figured accordingly. Now we will have to admit that this system has given us a few ideas—we might even be willing to whinny upon occasion if, by doing so, we could push back Father Time a spell — must discuss this with Jack Benny some time.

Any sedate ladies seen wandering around the hills and valleys of Camino Don Miguel with Japanese place mats on their noggins and straps decorated with sea shells under their chins need be no cause for alarm. Last week at the final meeting for the year of the Orinda Garden Club the members sat around in the beautiful gardens of Mr. and Mrs. Edgar Stewart and munched lunch from little boxes ornamentally tucked into those doo-dads. The sun was shining, so some members put them on as sun shades while other tossed them over a wrist and made like the lovely ladies on old calendars who went flower picking in embroidered organdy dress and parked the posies in a huge straw hat encircled by lavender velvet ribbon. Some difference, eh what, from the Orinda flower enthusiast who goes out with her socks pulled up over the bottoms of her blue jeans—her canvas gloves pulled up over her husband's old shirt—her calomine lotion on her face—zinc oxide on the nose thereby obviating all possible and prevalent calamities. The only new member of the garden club on hand was Mrs. Ned De Lavcaga—the other two, Mrs. Lester Hurd and Mrs. Arthur Pederson were out of town.

Mrs. Milton Selby is in Pullman, Washington, being chief cook and bottle washer for the proud parents of her new grandchild, Kerry Karshner.

HAD QUITE AN EXPERIENCE on the bridge the other day. As a matter of fact if you are in the mood for an experience that is certainly the place to have it. We had been shopping in San Francisco and were on our way home just in time to beat the school bus. Our preoccupation was due to customary feminine indecision—to buy it or not to buy it—the color was good but the effect from the rear was what the family had been telling was an effect we should try to avoid in the future. In due course we woke up to the fact that something was haywire under the hood. Our engine was hotter than a firecracker and we were tucked in among the traffic so cozily that we couldn't possibly pull off to the side.

We coasted to the toll gate and explained our problem to the man who said to pull over by the truck paystat ion. There, with the help of a truck driver who was about 12 feet tall we discovered that our fan belt was busto and that we would have to sit there for an hour and a half while she cooled off enough to add water. So there we sat with our hat shoved down and our hood shoved up trying to pretend invisibility as the towering trucks surged past with grinding gears and querying glances. Now here is where the Bay Bridge personal service comes in. Every half hour one of the two cars with moaning siren and fluorescent flags flying would cut right smack across the traffic and draw up to our stern, place his hand on our cylinder and wag his head and say "No, not yet." We didn't know whether they loved us dearly or were anxious to get rid of us but any way you will never be lonely with engine trouble on the bridge.

That is all and now from Allan Bottomley:

Last Sunday evening at 6 p.m. the thirteenth annual baccalaureate was held at Acalanes High School for the graduating class. The services were very impressive.

That Sunday morning Bob Harrison held a "brunch" at his home for 38 of the boys from the graduating class. It consisted of ham and eggs, potatoes and milk. Everyone enjoyed the brunch and had a swell time.

Also on Sunday, Milt Brown had a party at his home after services. There was swimming and ping-pong and then a wonderful dinner was served. The evening ended up with dancing out of doors. This also was a lot of fun.

WHEN YOU FLY UP to Girl Scout from Brownie there is every reason to smile, and that is what these 10 girls are doing. They flew up at a ceremony held at the home of Mr. and Mrs. W. B. Dunshee, 38 Ardilla Road, Orinda, Monday evening. From left to right, back row: Sandra Jones, Connie Conrad, Jane Lowman, Susan Steward. Front row: Sharon Steward, Susan Dunshee, Susan Schilling, Sharon Swedburg, Diane Kersten and Janice Twining.

Nursery School Names Officers

A new slate of officers to guide the Orinda Cooperative Nursery School next year was announced today.

Mrs. Russell Gilwee will be president and Mrs. William W. Scott, vice-president. Mrs. L. H. Kentfield Jr. is secretary and there are two treasurers: Mrs. Frank J. Cayting for the older class, and Mrs. Frank P. Fuller for the younger group.

Purchasing will be handled by Mrs. Standish Massie, maintenance by the Mesdames John E. Grant and Kenneth C. Mirov. Mrs. J. Gordon Ainsworth will handle publicity. All these officers were elected by the general group of members of the school.

NEW MEMBERS of the executive board, appointed by the new president, include representatives for Orinda, Mrs. John E. Edwards Jr.; for Lafayette, Mrs. John H. Klass, and for Moraga, Mrs. William H. Faisst.

Heading the telephone committee will be Mrs. Robert C. Spott. Parent participation for the Tuesday-Thursday group will be handled by Mrs. William M. Gillis, and parent participation for the Monday-Wednesday-Friday group by Mrs. J. W. Milton. Mrs. Oscar A. Burnetti, herself a doctor, will be in charge of the Health committee; Mrs. C. W. Brock will be dance chairman and Mrs. Lawton Shurtleff will head the new mothers orientation course.

MEMBERSHIP CHAIRMEN will be Mrs. Harry R. Clemons Jr., for the Tuesday-Thursday group, and Mrs. Robert S. Farrell for the Monday-Wednesday-Friday class. Mothers desiring to enter their children in the nursery school next fall should register now with their appropriate membership chairman.

Children two years and nine months of age are eligible for the younger class (Tuesday-Thursday) and children three years and nine months old may be entered in the older group meeting Monday, Wednesday and Friday.

AS THE NURSERY school has grown in popularity in the area, many registrations now are made at the birth of the child, Mrs. Gilwee said. The classes are limited in size, and early registration for both classes to avoid disappointment, is urged by the new president. Information regarding registration may be obtained from Mrs. Clemons, at Orinda 2914, for the younger class, and from Mrs. Farrell, at Orinda 3368, for the older group.

Members of both the retiring and the new executive boards of the nursery school, and their husbands, were feted with a dinner party last Friday evening at the Lafayette home of Mrs. Shurtleff.

Lively Youngsters Give Dance Recital For Parents, Friends

Youngsters with light feet and rhythm in their bones congregated at Lafayette Town Hall May 24 for the annual spring recital of Patricia's School of Dance.

Present to watch the youngsters go through their paces were some 500 relatives and friends. Two performances were given, the first at 2 p.m. and the second at 7 p.m.

Included on the program was "Miniature Music Box" for intermediate ballet, 7 to 10 years old, "Valse Bluette," featuring Terree Towers, for advanced ballet and "Ballin' the Jack," beginning tap for 8 to 12 year olds.

"The Parasol Ballet" was done by the intermediate group, 8 to 12, and "Rhythm in my Nursery Rhymes" by the baby tap group, 4 to 6 years old.

The beginning ballet group, 5 and six years old, did Water Lilies Ballet," and Mike O'Meara, 5, beginning tap, did "The Buck Tap."

The beginning tap youngsters from 8 to 10 years did "Waltz Clog" and the beginning ballet, 6 to 8 years did the "Hoop Waltz."

Church Announces Summer Studies

Sunday the Community Church of Orinda goes on "summer schedule," combining church worship and departmental instruction for children in the Sunday School at 10 a. m.

The choir continues through June under the leadership of Margaret Popovich. The minister, the Rev. Fred R. Morrow, and student assistant C. Ray Fowler, will work together during the vacation months both on Sunday and during the week.

The church service will feature a sermon by the Rev. Morrow on "The Priceless Pearl."

An unusual approach to the educational program for junior-age pupils will be used beginning Sunday when the first of a series of instructional and inspirational motion pictures on the career of Paul of Tarsus will supplement teaching of the book of Acts.

The sessions are to be led by Fowler. School sessions and church-time care will continue for younger children, from "toddlers" to primary age children.

Church to Hold Dinner for Men

Wednesday is the date set for the second annual Men's Dinner of the Community Church in Orinda, held under the auspices of the Men's Work Committee headed by alph E. Wilson.

Speaker for the occasion is Police Lt. Leon M. Carroll. Lighter features of the dinner include entertainment and games, with good fellowship around the tables.

"This will be partly pot-luck, and partly pay-your-way," Wilson said. It is hoped that the newly-completed barbecue may be used for "dogs" as part of the meal. Reservations are being taken at church services and by telephone to the Wilson home, Orinda 6956.

The committee supervising the men's affair is composed of the chairman plus E. J. Fowler Jr., Elbert Wayne, Charles Gable, Stanley Hudd, Chester Brown, Roy A. Clark, Howard Dail, Alfred Johnson, J. C. Pyle, W. J. Davison, Leon Carroll and Edmund Richard.

Tahoe Houseguests

Mr. and Mrs. Ed Sanford of Lafayette were recently houseguests at Lake Tahoe in the summer home of Mr. and Mrs. Robert Angell of Orinda.

Happy Birthday

DOREEN PHELPS

Doreen Phelps celebrated her fifth birthday May 21 with a party for ten of her friends, Lee Elkinton, Marian Long, Dalen Sheppard, Andrea Knudson, Sydney and Chris Cutting, Kenneth Twining, Billy and Bobby Bailey and Allen Wolfenden. Because of the cold weather the swimming party planned for the Park Pool had to be given up for a house party of games and the birthday cake and ice cream.

ANN PIERPONT CURTIS

A coronation birthday party was given for Ann Curtis at her home, 10 St. James Court, May 2 by her mother. Ann was 8 years old and had eight little girls over for afternoon refreshments. They all wore crown favors and enjoyed themselves with ice cream and cake. Ann's sister Penelope, 9½ helped out with the party. Her parents are Dr. and Mrs. Garniss Curtis.

Orinda Gardeners Hold Final Meet

The home of Mrs. Edgar Stewart, 40 Los Altos Road in Orinda, was the scene of a recent meeting of the Orinda Garden Club.

A picnic luncheon, served around the swimming pool, lent a festive note to the occasion which was the last gathering of the group until fall.

Mrs. C. Walter Cole, retiring president, announced the new officers who will direct the activities of the club next season.

The new officers are: Mrs. Embree Hockenbeamer, president; Mrs. Fred Cranshaw, vice-president; Mrs. Donald Badgley, secretary; Mrs. James North, corresponding secretary; and Mrs. F. K. Bottomley, treasurer.

Mrs. Ambrose Macdonald will again be historian for the club and handle publicity.

Episcopalians Start Morning Services

For the first time this year, Sunday morning service will be held for members of St. Stephen's Episcopal Church with the Rev. Charles M. Hill conducting at 8 :30 a. m. at the Orinda Community Church chapel.

Regular services will be held at the new morning worship hour, and will continue throughout the summer vacation period.

Sunday school sessions will be discontinued during the summer, but members of the St. Stephen's Young People's Fellowship will provide child care during the service hour for children too young to attend church with their parents.

Music for the service will include "The King of Love My Shepherd Is" by Shelley, which will be sung as offertory anthem by St. Stephen's Choir, under the direction of Mrs. T. J. Fahay. Organ selections by Mrs. Fahay will be "Prelude in F" by Bach and "Postlude in B Flat, Opus 368, No 8" by Volckmar.

The choir will continue to assist during the morning worship hours through the entire summer.

Work is going forward on the site of the First Episcopal Church in Orinda with Don Norman of the Sam Hubbard Company leveling the parking area as part of his contribution which will be constructed on Via Las Cruces in the Charles Hill section.

Plans and specifications for the rustic English church are out to contractors for bid and formal ground-breaking ceremony will be held when the bid is let.

P.E.O.'s to Meet at Home of Nancy Glass

The P.E.O.'s will have a luncheon meeting at the home of Mrs. Nancy Glass, 154 Camino Sobrante June 19 at 12:30 p.m. Any Orinda P.E.O. is invited to attend this luncheon meeting, and may phone the hostess, Orinda 2419 or Mrs. Frederick Glass, Orinda 2419.

Fractures Wrist

Nine-year-old Richard Anderson, son of Dorothy and Don Anderson, fell while swinging from a rope and fractured his left wrist in two places. He will wear a cast until August 1, which means no swimming for two months.

Berards Travel

Mrs. Jack Berard and her small daughter, Benet, of El Toyonal in Orinda are currently visiting in North Carolina with her family.

Guild Luncheon, Fashion Show Full Of Fun, Fashions

The Women's Guild of Orinda Community Church enjoyed a very successful luncheon and fashion show June 2. Fellowship Hall and the newly completed patio were filled to capacity.

The theme of summer vacation travels was carried out by the posters on the walls, suspended airplane models and the toy autos and trains on the tables amid a route of flowers.

At each place was a clever program, the first page of which was a hand painted face, head and hat made of felt, ribbons, veiling, tiny flowers and real earrings dangled from painted ears.

The luncheon consisted of a generous fresh fruit salad, a great variety of open-faced sandwiches, coffee, tea and strawberry ice cream pie.

The fashion show put on by Clothes Horse and Clothes Pony of Walnut Creek in keeping with the vacation theme emphasized play, sports and travel togs. The first models were the little children, Carolyn Brown, Sharon Swedberg, Dickie Swifth and Linda Wayne. Each won a round of applause for the costume worn and the wearer's cute appearance.

Between the young models and the adult ones, the Orinda Baguettes, Marian Brown, Molly Nelson and Jessie Swift, accompanied by Lucille Fahay, sang "Si Si," a Hawaiian melody, and John Ogden's "Orinda." Marian emphasized the rhythm by shaking of gourds.

The models, Nina Almond, Marian Everett, Leona Hunn, Jean Smith and Martha Williams displayed clothes suitable for wear from morning till night. The surprise feature was the unexpected appearance of Nancy Davison in bedraggled robe and untidy hair showing how not to look when appearing for breakfast, in great contrast to the attractive appearance of Martha Williams in green cotton housecoat. Sun dresses, pedal pushers and shorts for play, fishing or swimming were next shown by the attractive models.

How not to go "Just as you are" for an afternoon affair or errand was demonstrated by a ridiculous costume and well acted comedy by Lucy Hupp.

For evening wear the third surprise was beholding Gertrude Ogden in a fantastic costume very evidently "all wrong." The surprises aroused a lot of laughter and served to accent the suitability and charm of all the other lovely dresses as well as the poise of the wearers.

Catholic Women Plan Luncheon

The Santa Maria Catholic Women's Club will hold an installation luncheon at the Orinda Country Club Wednesday at 12:30 p. m.

All women of the parish are invited. Reservations may be made with Mrs. Charles Malone, Orinda 8820.

New officers to be installed are Mesdames C. Roy Warren, president; William Gleason, vice-president; Walter Hartsough, recording secretary; Francis Wyatt, corresponding secretary and Mrs. James Gallagher, treasurer.

Lord's Supper Will Be Topic of Sermon

"Your Invitation to the Lord's Supper" is the topic of the sermon by the Reverend Edward R. Andersen at the first communion services to be held at 8 and 11 a. m. services at the Shepherd of the Valley Lutheran Church at 294 Orchard Road in Orinda.

Hal Engman, local sales manager of the Wear-Ever Aluminum Cooking Utensil Co., will be the guest speaker at the Sunday School Family Worship Service at 9:30 a. m.

Don Bradley Sails With President Lines

Don Bradley, son of Mr. and Mrs. Theodore F. Bradley, 50 La Cuesta, Orinda, left June 2 on the President Wilson for the Orient.

Don is sailing as photographer for the President Lines.

Don will be gone for six weeks. Just a year ago, Mr. and Mrs. Bradley spent eight months in Europe.

Tanagers Have Coffee Answer

If any ladies are having trouble with their coffee when trying to entertain large groups, the Tanager auxiliary unit to the Mt. Diablo Therapy Center has an answer.

The Tanagers have a large coffee urn, capacity 48 cups, and it's shiny brand new, complete with easy-to-pour spout. They are willing to rent it out for $2.50 per party.

The proceeds from the traveling coffee urn will go, of course, to the Therapy Center.

Anyone interested may call Helene Klement, Orinda 2815, Kay Sawale, Orinda 2490, or Dorothy Carey, Orinda 2364.

Tanagers Plan Summer Parties

Members of the Tanager Unit, auxiliary to the Mt. Diablo Therapy Center, are resuming their monthly bridge parties now that their affair at Mt. Diablo County Club is past.

In May, the bridge luncheon was held at the home of Mrs. James Seaman on St. James Court. The members plan to continue these parties throughout the summer.

12-15 Club Meets at Murray Groves Home

The 12-15 Club enjoyed a 'brunch' in the sun room of the home of Mrs. Murray Groves May 26. The fifteen present thought the waffles, syrup and jellies, fruit and coffee just wonderful. The afternoon was spent in cards and conversation.

The next meeting will be June 23 at the home of Mrs. William Joslin, 611 Miner Road.

Rifes Fly East

Mr. and Mrs. Lester Rife of Orinda, accompanied by their young granddaughter Susan Trimble, flew on May 12 to Hesepler, Ontario, Canada, not far from Niagara Falls, to help celebrate the 100th birthday of Mr. Rife's mother, Mrs. David Rife on May 14.

This mother, grandmother, and great grandmother enjoys good health, keen sight and many activities, they said.

Ewart Phairs and A. H. Bastians Take Month Trip East

Mr. and Mrs. Ewart J. Phair of 12 Via Farallon, accompanied by their friends and neighbors, Mr. and Mrs. A. H. Bastian, spent the month of May in a motor trip to the east coast.

They started by way of the Donner Summit and across Nevada to the Rockies where they encountered two blizzards. Then they drove on through country just beginning to show signs of spring.

The first stop for visiting was in Milwaukee and then near Toronto to visit Mrs. Phair's relatives.

They next enjoyed a tour of the New England states. Dogwood was in bloom and woods were beautiful in their fresh green foliage. They followed the Hudson down to New York. Here the Phairs met their young sons Tom and John who had been flown out to join them.

Little Virginia remained behind with her grandparents. The boys were greatly thrilled with the sights of New York and even more so with their sightseeing in Washington D.C., Mt. Vernon and Arlington where they were impressed with the preciseness and solemnity of the ceremony of the changing of the guards.

They had planned their return by way of the south and New Orleans but hearing of the great heat there they decided upon the route through spectacular Royal Gorge, and thence on through Salt Lake, Reno, Donner and home.

They reported a wonderful time but were happy to see Orinda again.

Natives Return

Former Orindans, the Kenneth Marples, have been renewing acquaintances here this week and were guests of honor at a dinner party given by their Daryl Drive neighbors at the home of the Dick Copenhagens. The Marples are returning to Denver this weekend.

Pollaczeks Visit

Mr. and Mrs. Paul Pollaczek have been recent visitors in New York City, where Mrs. Pollaczek attended her class reunion at Barnard College and visited relatives in Elizabeth, New Jersey. Mr. Pollaczek has just completed an extensive trip to South America.

Grandson Arrives

Mr. and Mrs. Charles Pimentel are happy over the arrival of a grandson born to the wife of their son, Douglas, formerly of Orinda, on June 6 at Alta Bates Hospital in Berkeley.

Little Jay Douglas weighed 8 pounds, 15 ounces. Douglas and family are leaving El Cerrito for La Vista near Hayward, where he will be principal of the grammar school there.

Benes Teaches Class In Wood Sculpture

A course titled "Introduction to the Art of Driftwood Sculpture" began Wednesday night in the Artists Market in Lafayette taught by Bohus Benes.

Benes is a lecturer in political science and a former Czech diplomat.

His work in driftwood sculpture is now being shown at the Artists Market.

The course consists of four two-hour lectures and demonstrations.

You can afford a vacation

don't be homebound...

Go Greyhound!

A THIN BUDGET doesn't mean you have to be a stay-at-home... not when just about any Greyhound trip can be made into a low-cost vacation! In many cases Greyhound offers you a choice of scenic routes... go one way and return another, at no extra cost to you.

IN ADDITION, hotel rooms, sightseeing and side trips can be added to really "vacation-ize" your journey. Just remember, only by highway can you see America best... and on the highway, the *best* way is Greyhound!

Canyon Callings . . .

BY GLADYS SHALLY

Mr. and Mrs. Elmer F. Hoffman of Bakersfield, parents of Mrs. John Calkins, were recent visitors at the Calkins home.

THE PET SHOW MONDAY, the school picnic Thursday, graduation tonight, thus ends another school year. After the graduation exercises, a party at her home will be given by Anice Compher for her fellow graduates.

Mrs. Bradford Day and Mrs. Bertrand Miller were hostesses at a turkey buffet supper held last Wednesday in the Miller home in honor of friends and neighbors who helped in fighting the blaze and rescuing possessions when the Day home was almost destroyed by fire recently.

Jeffrey Dunham has announced plans of his enlistment in the U.S. Navy.

Canyon piano pupils of Mrs. Bernice Daves of Montclair played for their families and friends at a recital held at the Allen Crawford home on Wednesday evening of last week. Those taking part were: Patsy Crawford, Dotty Shally, Claude Seeds, Bruce and Douglas O'Neil, with special guest four-year old Diane Leuthold entrancing her audience with a number played with only two fingers and three measures of "Jingle Bells". Measles kept Jackie Chessum from the affair.

Ivan and Mildred Pine are leaving tomorrow for a two week's vacation. Trout fishing near Lake Almanor is included in their plans.

THERE ARE MUTTERINGS of subversive activities, threats of impeachment—all this aimed at the weather man who has permitted Oregon's rain belt to slip so far south. Others blame the discharge of atomic bombs, creating disturbances in the upper atmosphere for this year's unusual weather. Green fox tails in June! Five-foot tall wild rye and oats! If this keeps up, instead of a "wildnerness", Canyon will become a jungle!

Gordon Kotecki is the second Canyon artist in a year to have his oil paintings exhibited at the Mezzanine Gallery of the Gray Shop in Oakland. Last October Jonathan Batchelor's oil portraits were on show.

Our steep, winding Redwood Highway has claimed another victim—this time a PG&E coupe—last Friday. At the top of the hill, the driver losing control when a wheel hit a soft shoulder, jumped as the car plunged over the bank. And lucky that he did. The car was stopped some twenty feet below the road by a huge branch of an ancient oak which crushed the car top level with the steering wheel, shattering the windshield.

Mrs. Dellas Dew of Washington, D. C. was a week-end visitor at the home of her sister-in-law, Mrs. Bob O'Neil. Shortly after her visit Bob and the twins left for a two-weeks' tour of Brice, Zion and Grand Canyons.

Susie, Maurine Malvey's ringed-neck turtle dove and Sam, a similar dove acquired recently by Maureen, are proud parents of their first and only offspring.

VERY YOUNG VISITORS at the home of their grandparents, Mr. and Mrs. Newell C. Smith of Pacific Grove will be Stephen, 18 months and Frank, 5½ months. Their parents, Mr. and Mrs. Richard Gordon will drive the young travelers to their destination tomorrow and return for them the following week.

Rainy weather caused the postponement of the Blue Bird Fly-up and Camp Fire Girl cook out which had been scheduled for June 6 in Redwood Regional Park. Weather permitting, Camp Fire Girls are planning a family picnic in honor of their fathers Sunday at Tilden Park.

Family life coup d'oeils: The twelve-year-old's dad was much surprised when the son asked his parent to purchase some cod liver oil for him—until he learned that it was a pet turtle who was in need of additional vitamin D, not the boy. . . . One family thinks they have a statistician in the making. The fourth-grade daughter, supposed to be working multiplication problems suddenly announced, "On June 13, my birthday, I shall be 87,600 hours old."

Committeemen of Scout Troop 212 met recently to select a new scoutmaster. Ralph Moore accepted his enlistment for the job, to succeed Paul Foster who will continue with scouting activities as a committeeman. Shally was named chairman, with Claude Seeds, Arlo Compher, Fred Leuthold, Clyde Engle, Allen Crawford and Paul Foster as his committeemen. The men were somewhat startled when at the end of the meeting Allen Crawford passed out cigars until he explained it was to celebrate the Crawford's cat, Samba's, first productivity.

Kid Kwip: When the new teacher, fresh from New England, came to teach the primary grades of Canyon School she was not aware that her charges thought her accent strange. Just how peculiar they regarded her speech, the teacher learned from a mother to whom she had sent a note by a first grade boy. Bobby had said as he handed his mother the note, "Here's a message from Mrs. Bell, but I don't think you'll be able to read it." "You see, she's from some foreign land—Massachusetts, I think it's called."

People passing Shally's yard in the next week need not hasten to notify health authorities of probably "ripe" meat in the vicinity. The beautiful Konjak lilies will be in their full glory, emitting an odor enticing only to blue bottle flies and a kind of beetle, upon which the carnivirous flowers feed one day out of the year.

St. Perpetua's Catholic Church Nearly Completed

St. Perpetua's Catholic Church, located at the end of Hamlin Road, is nearly completed announced Reverend Thomas Collins this week.

The present phase of construction, amounting to $119,500, will be completed around the middle of July, Father Collins said, when the church will be opened for services.

The church has 11,500 square feet of floor space, including a kitchen and cafeteria. The church building proper is 120 feet long by 60 feet wide, with a laminated beam construction, green concrete floor, interlocking tile roof and stucco exterior.

Under a marquee in the front, and over the entrance, is a cross with a life-size statue of Christ on it.

The parish will include Lafayette from Ricks Drive Inn to El Nido, and from Rheem Boulevard on the south to Bear Creek Road on the north.

"Next year we hope to start construction of a regular eight-grade school," said Father Collins. "This is only the beginning."

Guest Minister To Give Sermon

There will be a guest minister at the Lafayette Community Methodist Church at both the 8:30 and the 11 o'clock services Sunday.

The guest minister is Dr. Emerson Blodgett, a congregational minister who is professor of psychology and counseling at the Pacific School of Religion in Berkeley, according to Reverend Harry E. Shaner and Bishop George A. Miller.

This Sunday is Conference Sunday for the California-Nevada Annual Conference of the Methodist Church which is held at the College of the Pacific in Stockton. Mrs. Louise Burk is the lay member from the Lafayette Community Methodist Church. Mr. Charles Gass is reserve lay member and Rev. Shaner is the ministerial member to the Conference. The conference has been in session since Tuesday and will conclude with the reading of the appointments of the minister to the Churches for the coming year.

Sunday, June 21, will be report Sunday at the Lafayette Community Methodist Church when those people who attend Conference will give their report.

ONE WAY TO MAKE TIME

Sizing up the traffic situation well ahead is often helpful in maintaining a reasonable speed in city driving, suggests the California State Automobile Association. Watch traffic lights several blocks ahead so that you may reach each signal when it is green and thus avoid stopping.

Deer Shot for No Apparent Reason

Ranchers and sportsmen of the Briones Valley area were reported indignant this week over the willful and useless slaying of a large doe.

Apparently a motorist who packed a small caliber rifle in his car, sighted the animal from the highway near Happy Valley Road and used it for target practice.

The carcass was found on the Pereira ranch, pierced by two small rifle bullet holes.

Vacation Bible School Planned

Two weeks of Vacation Bible School have been scheduled at the Lafayette Covenant church, June 15 to 25, with closing exercises on June 25 and a picnic June 27.

There will be supervised games, lots of singing, Bible stories, hand crafts, prizes, and other interesting activities. Competent teachers will be in charge of the various grades. Ages from 4 to 12 will be welcome.

Classes will begin at 9 a.m. and continue through to 11:30. No afternoon classes. Registration will take place Monday at 9 a.m., but pupils who cannot come on that day may be registered later in the week.

For best buys — shop at home.

Canyon School to Graduate 8 Pupils

Eight students will receive diplomas at graduation ceremonies of Canyon School at 8:15 tonight at the Redwood Inn hall.

The graduating girls will wear pastel organdy dresses with scented wood fibre gardenia corsages made by Mrs. Dennie Clouse. The boys will wear dark suits with white carnation boutonnieres.

The ceremonies will begin with the presentation of the flag by Boy Scout patrol leaders and Timothy Crawford and William Calkins.

The fifth, sixth and seventh grades will sing "Oh Great America". The graduates will present the comedy, "Suitable for Charity."

The school chorus will sing the "The Lord's Prayer" with Billy Jacobs soloing. Maureen Malvey and Gordon Foster will read the class will and prophecy.

Allen Crawford, chairman of the school board, will present class pins donated by the Canyon Community Club and George Masker, principal, will present the diplomas and an address.

The ceremonies will be closed with the graduates singing their class song.

The music direction and piano accompaniment will be provided by Mrs. Rubyruth Beers, primary teacher, and the decorating will be done by the graduates' mothers.

'Test of Love' Is Sermon Topic

Reverend Peterson will speak on "The Test of Love" Sunday morning at the Lafayette Covenant church.

The sermon will be based on the episode in the life of Abraham where he was commanded to sacrifice his son. Abraham's love stood the test, and God not only commended Abraham's obedience, but spared the child, said Peterson.

At the evening service the pastor will deal with the topic, "Christ or Communism". During the summer months the evening service will begin at 7:30 instead of 7 to compensate for daylight saving time. The Sunday Bible school meets regularly at 9:45 a.m.

Vacation Bible School will begin on Monday morning and continue through June 25.

Confirmation exercises were held last Sunday morning. The class members — Betty Lesh and Janet Heltman — gave a demonstration of their achievement in the religious education course which they had covered under the instruction of the pastor.

Ed Peterson, chairman of the church, presented gift Bibles to the class members on behalf of the church, and Rev. Peterson was the recipient of a beautiful gift from the class.

At the conclusion of the evening service the mothers of the class members served refreshments to the congregation. Several visitors were present from San Francisco, Berkeley and Stockton, as well as from the immediate community.

Church Welcomes 17 New Members

Thirty-three new members, seventeen adults and sixteen children, were welcomed into Our Savior's Lutheran Church on Sunday.

The new members are: Mr. and Mrs. Robert Caldwell, Linda Lee, Laura, and Robert; Mr. and Mrs. Wilson E. Deitrick; Lt. Col. and Mrs. Selmer Espelund, Grant, Dale, and Joyce; Mr. and Mrs. Theodore Hirschberg, Terry and Ruth; Mrs. Thomas Jamison; Mrs. John Newacheck; Mr. and Mrs. Henry Swab, Philip, David, and Peter; Mr. and Mrs. Ivar Swanson, Carol and Neil, Mr. and Mrs. L. L. Thormod; and Mrs. George Zurilgen, Stephen, Beverly and Georgia.

Our Savior's Church will maintain its regular schedule of services throughout the summer with the "Early Bird" service at 8 a.m., Sunday school at 9:30 a.m., and morning worship at 11 a.m.

The sound-color, missionary film, 'To Every Creature," will be shown during the Sunday school hour on Sunday.

Pastor Luther Berven will speak on the sermon topic, "Will Our Excuses Be Acceptable to God," at both the 8 and 11 a.m. services.

But yes. I'm crazy about all you gals 'cause you cleaned us out of practically everything we offered in our last week's Confessions ad.
You were good to us — now here's an idea that may be of use to you. We've got a slough of fabrics that will make beautiful dresses. Drapery fabrics, as you probably know, are considerably wider than dress fabrics . . . saving you labor and yardage. Best of all, the textures and patterns are really distinctive, and give you a feeling that no standard dress fabric can.

Fight Shapes Up Over Firing of J. C. Instructor

"There is no legal authority under the California Education Code whereby a third party can participate in the employment or dismissal of personnel," Drummond J. McCunn, superintendent of the Contra Costa Junior College District, said yesterday.

The statement came after a labor official said he would appeal to the State Conciliation Service to enter the present struggle between the California Federation of Teachers and the junior college board over the firing of Stanley Jacobs.

THE LABOR OFFICIAL also said that pickets were withdrawn from the board's office in Martinez to avoid legal trouble.

McCunn added, "School authorities have the sole right and responsibility to screen employees as to their fitness. This responsibility cannot be delegated."

In earlier developments a threatened picketing of Monday's meeting of the board of the Contra Costa Junior College by the American Federation of Teachers did not materialize, but nevertheless caused strong reaction.

BOARD PRESIDENT O. J. Wohlgemuth read into the minutes of the meeting a statement challenging organizations which, he said, are "seeking to assume the responsibility for the administration of the public schools."

Last week the AFL County Labor Council reportedly sanctioned placing a picket outside the board meeting.

Hugh Caudel, president of the council, said that the action was a direct result of the dismissal of Stanley Jacobs, social science instructor at the west campus of the college.

Although no picket appeared Monday night, Wohlgemuth spoke out against the threat and also went on to discuss facts of the Stanley Jacobs case.

He said that such discussion is contrary to policy set up to protect probationary teachers, but added that it is now necessary to give specific causes for the dismissal in view of "mis-statements."

HE DENIED THAT Jacobs' activity in the American Federation of Teachers had a bearing on his release.

Jacobs "openly and defiantly violated instructions and policies," "showed an indifference toward students not planning to transfer to a four-year college," "was rigid and inflexible in his thinking and intolerant of difference of opinion," "has been a dividing, rather than a unifying, factor as a member of the staff," and "has failed to assume his share of staff responsibilities," Wohlgemuth said.

Jacobs, whose contract was not renewed by the board last month, has been active in union work and this activity was felt by Labor Council representatives to be the reason for his dismissal.

The Labor Council, for what was reported to be the first time in California, last week named the administrators of the Junior College to its "We Do Not Patronize" list.

"The administration has acted, in our opinion, in a wholly unfair, autocratic manner and one not in the interest of our school system . . ." President Caudel said.

Woodmansee Fund Winner to Be Told

The Acalanes High School girl who wins the Janet Woodmansee Scholarship Fund grant will be announced Sunday during the school's commencement exercises.

The fund has reached $200, according to Mrs. James Gray, award chairman.

The fund was set up after Miss Woodmansee was killed in a plane crash last year.

Local Instructors Start School Camp

George Houghton and Wilbur Twining of the Acalanes High School faculty will soon be off to Pinecrest for the opening of their camp, the Pinecrest Mountain School.

Many local youngsters have enrolled. The program is a combination of camp fun and an outdoor education.

Some of the local young people who have enrolled include Dick Pape, Tim Biggs, Janet Johns, George and Dick Cory, Naida Merry, Frank Normand, Jack Tanovitz, Rena Edwards, Kathy Kilgo, Joan Whalen, Katy Jones, Phil Sommons, Jack Lloyd, Parker Dinwiddie and Bill Parket.

Others have been enrolled from the bay area and from as far away as Reno and New York.

The program includes two 15-day sessions for boys and one for girls. Each day the group leaves Pinecrest by auto and travels to some part of the Sierra Nevada to study a phase of the mountain complex.

Several days are spent on pack trips into the mountains. Part of each day is devoted to camp recreation such as swimming, fishing, riding, riflery, sports, or other activities.

Enrollment is limited to youngsters 12 to 18 who are interested in the out-of-doors. Additional information may be obtained by telephoning Houghton in Lafayette or Twining in Orinda or by writing them at Pinecrest, California.

Covenant Junior Choir Sings

Last Friday evening the junior choir of the Lafayette Covenant church, dressed in their most colorful garments to harmonize with the music, presented the "Flower Musicale" under the direction of Mrs. obert Ball. Miss Janet Heltman was the accompanist.

The church was beautifully decorated with flowers, and the program consisted of sacred numbers well prepared and beautifully rendered. Piano solos were given by Nancy Lotter, Janet Heltman, Phyllis Nardello, Gail Hartman and Sue Ann Bolin.

Members of the choir were Betty and Joanne Lesh, Gail Hartman, Denise Mercer, Carol Bennett, Dianne Harrison, Judy Martin, Phyllis Nardello and Sue Ann Bolin.

Mrs. Ball was presented a beautiful bouquet of flowers by Janet Heltman in behalf of the choir. Lunch was served at a social hour following the program.

Acalanes Pool Open to Public

The swimming pool at Acalanes High School will be open during the summer beginning Wednesday from 1 to 6 p.m., every day except Monday, it was announced this week.

The facilities are open to the public at a slight use charge.

For best buys — shop at home.

Jewish Women To Sponsor Camp At High School

Children from the ages of 6 to 16 are being given an opportunity this summer to participate in swimming, hiking, arts and crafts, dramatics, nature studies, athletic games of all sorts in the first community-wide day camp program ever held at the Acalanes High School.

Neil Parsons, superintendent of the Acalanes High School District and the board of trustees granted permission to the League of Jewish Women to conduct a non-profit, non-secterian day camp from June 29 through July 31 at Acalanes.

In an effort to provide the kind of day camp experience that would afford the maximum enjoyment for the children, the League of Jewish Women, in cooperation with the Jewish Community Center of Oakland, have engaged Mrs. Hilda Singer, who has an outstanding background in group work and camp direction, as director of the camp.

Mrs. Singer will be assisted by Mrs. Lois Lesser, who has several year of camp counselling experiyears of camp counselling experiical education and shop teacher.

"We feel that in order to make it the kind of camp where children will be given the finest kind of supervision together with activities of the calibre offered, at the University of California Summer Camp, we must have the best that can be had in this field," said Mrs. Herman Rosenbloom, general chairman of the camp program.

"The nominal fee of $35 per child for the five-week period will cover merely the expenses of operating the camp," she said.

Final registration date is Sunday at the Lafayette Town Hall. For additional information parents may call Mrs. Herman Rosenbloom, YEllowstone 4-9491; Mrs. Lewis S. Rapport, DRake 6-4452, or Mrs. Lawrence Litz, VErnon 7-4241.

Adoption Will Be Topic of Meeting

"What Adoption Means to a Child, Family and Community" will be the title of a talk given at the Oak Park School Thursday at 8 p. m. by Muriel Nelson of the Adoptions Unit of Contra Costa County.

The talk is sponsored by the Central Contra Costa County Mental Health Society. The school is on Oak Park Boulevard near the Contra Costa Highway in Pleasant Hill.

Miss Nelson will outline the technical procedures involved in adopting children, how children may be adopted and the requirements for adoption.

Her discussion will emphasize the social and psychological aspects of the adoption process and the implication for the child and family during the years. She will also discuss the role her agency plays in contributing to the mental health of the community.

The public is invited and invitations have been mailed to civic organizations, according to Robert Feldman, chairman of the local mental health chapter.

Sunset Mausoleum To Hold Services

An elaborate dedicatory ceremony in celebration of the 25th anniversary of Sunset Mausoleum and Columbarium in Berkeley is planned for Sunday.

Invitations to the program have been sent to the several thousand property owners of the mausoleum, and a further invitation to the public has been extended by Arthur F. Edwards, president.

The ceremonies will be held within Cathedral Hall of the $5,000,000 structure, and will include an organ recital, selections by the College City Lakeside Presbyterian Church choir of San Francisco, and several short addresses by civic leaders from Bay Area communities. The program will start at 2:15 p.m.

With fitting tribute, the mausoleum will be re-dedicated in loving memory of its late Founder and builder, Arthur F. Edwards Sr.

In 1925, with his own capital, and after an extensive study of mausoleums throughout the world, the senior Mr. Edwards imported thousands of tons of 26 types of foreign marble and began the building of the massive structure. The mausoleum was opened on June 14, 1927, and has been a landmark in the Berkeley Hills since.

ECCJC To Give Diplomas to 110

East Contra Costa Junior College will award Associate in Arts degrees to 110 graduates at open air ceremonies on the campus football field Thursday night at 7 o'clock.

Dr. J. Paul Leonard, president of San Francisco State College will give the commencement address. Robert L. Wallis of Walnut Creek, one of the graduates ,will welcome the guests.

Twelve of the graduates are Walnut Creek residents.

O. J. Wohlgemuth, president of the board of trustees, will award degrees. Under the direction of Allen A. Schell, the band will play processional and recessional numbers and will present Grundeman's "Two Moods Overture."

Stewart Named to Direct Mt. Diablo Therapy Center Building Fund Drive

Edgar B. Stewart, Oakland attorney and Orinda resident, will direct the fund drive for a new Mt. Diablo Therapy Center building.

Edmund S. Barnett, president of the center's board of directors, announced that Stewart has just accepted the chairmanship.

Stewart pointed out this week that the demands made upon the center by the constantly-growing population of the area make a new building imperative.

Plans for the new structure are now being completed. It will be located on Hookston Road in Walnut Creek on a tract which will provide ample space for outdoor therapy activities.

Facilities will permit a greatly expanded program of service to the physically handicapped of the area.

Barnett said that Stewart's interest in the center goes back to the days of its formation as a non-profit institution dedicated to the care of the physically handicapped from the Central Contra Costa County area.

Stewart has long been active in civic and charitable projects in Contra Costa County and in Oakland.

He will head a volunteer organization representing every community in this area.

Co-chairman of the fund drive will be Mrs. T. O. Edwards of Diablo Road, Danville.

She was president of the Mt. Diablo Therapy Center in 1951. Now she will recruit a women's division to work side by side with men volunteers in an area-wide effort to bring into reality dreams and hopes for the proposed new Therapy Center.

The center is now located in the Highland Medical Building in Walnut Creek and is staffed by a skilled corps of professional therapists.

Soil District Directors Meet

The board of directors of the Contra Costa Soil Conservation District held its regular meeting Tuesday at the District office in Walnut Creek, according to T. S. Vanasek, board secretary.

Several items of business were included on the agenda, foremost among which was the opening of bids for the sale of surplus items of farm equipment.

A report on the district's dam building activities was presented, as well as other special reports on conservation activities.

The role of the District in the forthcoming Walnut Creek Flood Control project was also explained.

Local Students To Graduate from San Jose State

Eight students from the Walnut Creek-Lafayette-Orinda area will receive degrees today during commencement exercises at San Jose State College.

Six women and two men will receive Bachelor of Arts degrees, and two of the group will also receive teaching credentials.

They are as follows:

Lafayette: Nancy L. Brooks, AB occupational therapy; Shirley C. Lawson, AB recreation.

Orinda: Dorothy G. Bargones, AB occupational therapy.

Walnut Creek: Richard E. Burkhart, AB business; Donna J. Day, AB occupational therapy; Mildred A Ginn, AB with kindergarten-primary credential; Keith R. Kepler, AB business; Yvonne J. Oliver, AB with general elementary credential.

Observers Sponsor Instruction Class

The Ground Observer Corps sponsored another instruction class at Acalanes High School yesterday for all those interested in becoming sky-watchers for the recently-organized GOC post, covering the Orinda-Lafayette-Moraga-Walnut Creek area.

The class, conducted by Air Force personnel from the Oakland Filter Center, consisted of a lecture outlining the duties of a sky-watcher, plus the showing of an Air Force film depicting the part played by the Ground Observer Corps in the Civilian Defense program.

The lecture, originially scheduled for June 3, was cancelled because of unforseen circumstances, according to information from Mrs. Donn Court, local GOC organizer.

Anyone interested in volunteering for Ground Observer duty may obtain further information by contacting either Chief Observer Scott Sheppard, Lafayette 8930, or Mrs. Court, Lafayette 2762.

DEATH IS NOT POLITE!

The Contra Costa County Association of Insurance Agents, in sponsoring the National Safety Council Operation Safety Program, takes the wraps off politeness for its 1953 campaign . . .

Hugh O'Brian, featured in Universal- International's "The Man from the Alamo," portrays the role of one of the PSYCHOLOGICAL SIX.

"MR. INFERIOR"

According to the psychologists, Mr. Inferior (or perhaps it's Miss or Mrs.) is frustrated. He's constantly disappointed, never sure of his decision. So, when he gets in a car he attempts to conceal his inferiority complex by driving faster than everyone else. This is supposed to prove to others that he's a very important person. AND HOW ABOUT YOU?

Dinner Dance Held By Diablo Cotillion

Members of the Diablo Cotillion of the Diablo Country Club gathered Saturday night at the club for a dinner dance.

The formal affair began with cocktails at 7 p.m. in the lounge followed by dinner at 8:30 and dancing after to the music of Henry Gallagher and his orchestra.

Several hundred members and guests from Walnut Creek, Lafayette, Concord, Orinda, Danville and Diablo attended.

Mr. and Mrs. Jack Turman of Glenhaven Avenue, Walnut Creek, were among those that hosted predinner parties. Among their guests were Messrs. and Mesdames Ernest Rowland, Curt Muller, Randall Cathcart, Al Lazzareschi, Norman Buckhart, James McGeehon, Jack Davis, Robert Clark, Harold Toland, Paul Hammarberg and Dr. and Mrs. Cliff Johnson.

Seen at the dance were Messrs. and Mesdames Clifton Dalgren, Charles Rodier, Robert Burgess, Stan Massie, W. A. Ronneberg, James Shierry, Robert C. Wisecarver, Peter Howard, Carl Noecker, Harmon Howard, Donald McVean, Edmund Barnett, Quenton Thompson, Phillip Merrill, Harold Toland, Elvin Lien, Edmund Boero and Norman Buckhart.

Logan A. Coffee, Laurence Curtola, Donald Doyle, Phillip Greer, Duncan Knudsen, Edgar Sawyer, Donald Lawrie, Malcolm Gompertz, and Drs. and Mesdames Peter Picard, James Wasley, D. A. Hamlin, Ben Dykes and Robert Pinger.

Acalanes Improvers Have Gala Time at 'June Fiesta' Party

Acalanes Valley residents have another wonderful party to add to their memories of past valley events, for June 6, was the "June Fiesta", memorable for its Mexican fiesta atmosphere, fine dinner, and for the first appearance of the "Acalanes Valley Theater Guild".

It may have been a one-night stand for the amateur thespians, but members of the Acalanes Valley Improvement Association hope that future parties will also bring out talents heretofor unsuspected.

UNDER THE DIRECTION of Mrs. William Siefker of Valente Court, the players presented a skit called "Sol Rosenblum's Plight," with Bert Chinn, president, as Sol; Mama, Mrs. M. C. Zacche; Sol Jr., Bill Wharton; Abraham, Bill Siefker; Rebecca, Mrs. Norman Hawkins, and Rachel, Mrs. Bill Wharton.

A skit with a Russian flavor followed with Idar Gogstad, Legion Court, as Ivan Kavinsky, and Mrs. Siefker as his wife.

Next the group was entertained by a beautiful hula performed by Mrs. Idar Gogstad.

THE HIGHLIGHT of the entertainment was a tape-recorded pantomime, with appropriate musical sound effects and narrated by Dick Benofsky of Valente Court, called "The Saga of the Sagebrush." Playing the sheriff was Norman Hawkins; and old Sourdough, Bill Siefker; The Rat (villain), Dick Benofsky, deputies, Bill Wharton and Idar Gogstad.

The committee responsible for the delicious barbecued spareribs dinner and other plans, was headed by Mr. and Mrs. Norman Hawkins and included the following: Messrs. and Mesdames William Siefker, William Wharton, M. C. Zacche, Richard Benofsky, and Idar Gogstad. Mrs. George Cummings was in charge of reservations.

THE AFFAIR was held at the Angelo Reverdito "Barn" on Acalanes Road.

Door prizes were won by Idar Gogstad, Mrs. Al Frock, Mrs. Wharton, Paul Woods, and Ralph Clark. A potted plant was presented to Mr. and Mrs. Angelo Reverdito.

Following an interval of community singing, accompanied by Idar Gogstad on the violin, the evening ended with dancing.

Garden Club Meet

The Walnut Creek Garden Club will meet at the home of Mrs. J. L. Ramelli on Strand Road Monday.

The club will go through Kentwood, the home of Skipper Kent at 10:30 a.m. Mrs. David Todd is chairman of the program.

A Quarter Century of Progress

ON THE MORNING of April 23, 1927, the roar of bulldozers shattered the tranquillity of a section of the Berkeley Hills, rising directly above San Francisco Bay and the then existing small communities of western Contra Costa County. Biting into the crests of the sloping hills, the earth-moving claws took up the tremendous task of leveling tons of soil to make way for the future site of a great community shrine.

On June 14th of that year, Articles of Incorporation were filed as a California non-profit corporation, and a lasting memorial was dedicated as Sunset Mausoleum and Columbarium.

Next Sunday, June 14, 1953, a Quarter Century later, we will humbly but proudly re-dedicate Sunset Mausoleum and Columbarium in loving memory of its late founder and builder—Arthur F. Edwards Sr.

During the past two-and-one-half decades, Sunset has affixed itself in the hearts and minds of the citizenry of this great metropolitan area as the most beautiful memorial to memory ever erected. Its grandeur, its natural site overlooking the Golden Gate, and its architecture are unsurpassed in the eyes of the many thousands who know and love Sunset.

Though still in its infancy, this ageless shrine has progressed far beyond the dreams and aspirations of its builders and those who are currently entrusted with the responsibility of perpetuating its growth and progress.

The spacious marble corridors and columbaria cover an entire acre in the Berkeley Hills, and Sunset now possesses eight full acres of this beautifully situated hallowed ground for future development, thus envisioning the largest Mausoleum and Columbarium conceived by man as a tribute to the memory of those who have served their community.

We warmly and cordially invite the members of our community to join with us next Sunday afternoon, June 14th, at 2:15 o'clock, for our re-dedication ceremony, and to pay tribute to the loved ones of the thousands of families who rest secure in the sacred trust so earnestly born by those charged with protecting that trust.

BLIND DATES ARE NOT ALWAYS such worthless affairs.

For instance, there were two people studying at the University of California who were looking forward to a dull evening when mutual friends fixed up a blind date between them.

They must have enjoyed it, for today the two people, Mr. and Mrs. Duncan H. Knudsen, are rearing three sons, left to right, Peder, 11; Derek, 9, and Phillip, 4.

The Knudsens moved to their home at 3981 South Peardale Drive in Happy Valley, Lafayette, in 1940. They left the hustle and bustle of Oakland to enjoy the serenity of country living. Now they're not so sure how countrylike it is.

To help the country atmosphere they suggest, as a major community improvement, an engineering project.

They would like to see Mt. Diablo Boulevard moved 5 or 6 miles to either the north or the south of Lafayette.

Knudsen is an insurance broker and can be found in the office of Duncan Knudsen Co. in Oakland. He lists his major out-of-office interests as golfing and Boy Scouting.

In line with his scouting interests he is chairman of Cub Pack 78, has organized Boy Scout Troop 223 and is finance chairman of the Meridian District of the Boy Scouts of America. A Phi Kappa Sigma at Cal, he is also a member of the University Club.

Mrs. Alla Knudsen devotes her charity to the Poplar Branch of the Children's Hospital of the East Bay, of which she is co-chairman. Her interest in art is shown by the fact that she is a founding member of the Cooperative Art Class and a member of the Valley Art League and the Outdoor Art Shows.

Her social side was shown as a member of Alpha Chi Omega at Cal and as a sponsor of the Diablo Cotillion of the Diablo Country Club.

Young Peder, who just finished the sixth grade at the Vallecito School, spends time in scouting, playing the trumpet and in art class.

Derek is an avid member of the Cub Scouts and finds an outlet for his musical interests in a junior choir. He just finished the fourth grade.

And Phillip spends his days at the Happy Valley Play School.

The other member of the family has the interesting hobby of leisurely mousing. That's Neko, the Siamese cat.

Gamma Phi Beta Alumnae Will Help Therapy Center

At a May meeting held at the Lafayette home of Mrs. William W. Ornduff, Gamma Phi Beta alumnae of Contra Costa County elected to volunteer their services on a regular one-morning-a-week basis to the Mt. Diablo Therapy Center.

Individual members have signed up to assist the center in whatever capacity they can each Thursday morning, and Mrs. Ornduff has been designated to head the project.

Local Gamma Phi Betas are also cooperating to send a child from this area to a nearby summer camp. This is in line with a national policy which has been established and operates two well-known summer camps for underprivileged children, a mountain camp at Indian Hills, Colo., and a seashore camp at Sechelt, B. C.

Three two-week sessions are held at each camp during the summer, financed chiefly by an annual camp tax paid by each Gamma Phi in the United States and Canada.

Mrs. Richard B. Rice of Lafayette is the president of the Contra Costa alumnae of Gamma Phi Beta.

Orindan Returns From Eastern Trip

Mrs. Bradshaw Harrison of 39 Via Floreda, Orinda, has just returned after a two months trip to New York visiting her son, Bill Harrison, and family.

The highlight of her visit was getting acquainted with her new grandson, Scott. Bill is employed as assistant art director at the Batten, Barton, Durstine and Osborne advertising agency.

Mr. and Mrs. Harrison's youngest son and wife, Lt. (jg) Curtis B. Harrison, have been staying at the family home in Orinda. Curtis is on the submarine Mingo, which is now at Hunters Point, waiting to be decommissioned. He has been stationed for the past two years at San Diego.

Native Daughters To Hold Meeting

The 67th Annual Grand Parlor for Native Daughters of the Golden West will be held beginning June 15 in Santa Cruz.

Local members who have been delegated are Helen Ford and Elsie Sturm with Teresa Butterfield and Jessie Simons as alternates.

CHEAP CALIFORNIA LAND
We happen to have a lot of land in California under $10 per acre, some of it is wooded, much of it is level grazing land, or practically level, and it is an opportunity for somebody who wants to go into ranching to get a ranch from 80 to 640 acres at a modest down payment and balance at an insignificant payment per month. Why don't you come in and see us.

Truck Problem To Be Attacked by Commuters' Group

At their June directors meeting held Tuesday evening at Acalanes High School, the Contra Costa Commuters Association expressed unanimous approval to go along with the Orinda Association, Diablo Highway Improvement Federation and Lafayette Improvement Association in their efforts to work with the various truck operators to keep truck traffic to a minimum during peak commuter hours.

THE MEETING was well attended and all directors showed great interest in keeping traffic congestion caused by trucks to a minimum.

Charles Wood Jr. of Orinda gave a progress report for his committee on the Orinda Underpass and relocation of the Orinda bus shelter.

He stated notice had been received from the State Highway Engineers that the shelter would have to be moved from its present location at Orinda by September 1 and would meet with them soon to work out details of this problem.

JOHN E. McKIRAHAN of Lafayette announced a meeting with Greyhound last Monday had resulted in many minor complaints being cleared up. He stated the overall picture of San Francisco service is now better than it has been in years though there are some details still to be worked out.

Certain service irregularities both in San Francisco and Oakland service are being investigated and it is hoped that there can be discussed with Greyhound and disposed of very soon. He also stated certain adjustments were needed particularly west-bound morning schedules but that there are not enough buses to provide seats for all patrons.

Acalanes Students Graduate Sunday

A total of 275 students will receive their diplomas from Acalanes High School in graduation ceremonies to be held at the Acalanes Memorial Field Sunday at 2:30 p.m.

Admission is by ticket only.

The program will start with the processional of the graduating students followed by an invocation by the Rev. James Upshaw of the Walnut Creek Presbyterian Church.

A pledge of allegiance to the flag will be led by Joseph Conley, class vice-president.

Senior speeches will follow, delivered by Edward Neighbor, class president, David Grieve and James Robertson.

The Acalanes Chorus and Acalanes Band will combine to present "Born To Be Free."

Awards will then be presented to outstanding students by Neil Parsons, Acalanes High School District superintendent.

Stanley Walgren, principal, will present the class and issue diplomas and the graduates will sing the class hymn.

The program will end with the benediction by the Rev. Charles Hill of St. Stephen's Episcopal Church in Orinda.

W. H. Minor Buys Hodges TV Center

W. H. Minor of Lafayette has purchased Hodges TV Center, 3561 Mt. Diablo Boulevard, it was announced this week.

The firm will be known as Minor's TV Center, and will operate in the same location. Minor lives at 1138 Camino Vallecito.

The firm features RCA, GE, Hoffman and Spartan television receivers. The service department, whose motto is expert, fast, guaranteed service, is under the direction of Dick Gadsden, assisted by Ellis Hollowell. Both men were formerly with Hodges.

Christian Science Topic From Sermon on Mount

"Why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin: And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these" (Matthew 6:28, 29).

The above quoted verses from Jesus' Sermon on the Mount will be among those included in the Christian Science Lesson - Sermon for Sunday, on the subject "God the Preserver of Man."

The following citation from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be read:

"Spirit duly feeds and clothes every object, as it appears in the line of spiritual creation, thus tenderly expressing the fatherhood and motherhood of God" (p. 507).

Mt. Diablo Junior Chamber Plans Golf Tournament

The First Annual Mt. Diablo Area Junior Chamber of Commerce Golf Tournament and Dinner will be held next Friday at the Diablo Country Club.

After the event a Football Preview for 1953 will feature professional stars, a sports editor and writer, and movies.

Top features of the junior chamber outing will be the blind bogey tournament starting at noon and a buffet dinner at 7:30 p. m.

Golfers will tee off at noon and finish play around 6 p.m. Prizes will be awarded for low gross score and for other winners.

Refreshments will be served throughout the day and a cocktail party is scheduled for 6 p. m. as golfers finish their final round.

Koch Will Head Diablo Jaycees

Howard Koch of Walnut Creek was elected president of the Mt. Diablo Junior Chamber of Commerce last week.

He and other officers for the coming year will be installed at a banquet to be held June 26, with Clifford Gant, a new director, in charge of arrangements.

Vice presidents for the coming year will be Bob Hickey from Gregory Gardens and Les Fletcher from Pleasant Hill. Richard Stanley of Lafayette is secretary and Udo Hinck, also of Lafayette, is treasurer.

New directors include Gant from St. Mary's Estates, Yates Bleuel of Orinda, John Kennedy of Lafayette, Ed Bjornestad of Concord and Dick Emory of Walnut Creek, the outgoing president.

Community Unit To Hold Meeting

A special membership meeting of the Contra Costa Jewish Community Center will be held at the Walnut Creek Women's Club on Lincoln Avenue next Friday at 8 p.m.

The purpose of the meeting is to act on a development in the center's quest for a site and building, according to Dave Zuckerman, corresponding secretary.

County Developers Install Ed Larmer

Nearly 400 people went to the Diablo Country Club last week to see the installation of Ed Larmer, Walnut Creek hardware merchant, to the presidency of the Contra Costa County Development Association.

Leaders of county industries, chambers of commerce, army and navy installations and other civic and business leaders attended the organization's 17th annual installatio dinner.

The international situation, particularly as it relates to Korea, was the topic of the speaker of the evening, William Winter, news analyst and commentator of radio and television.

Larmer pledged assertive action, in a brief talk before his installation, to further promote the advantages of the county.

He urged full cooperation by residents and county officials and observed "There will be no room for sectionalism."

He succeeds Dudley J. Sutherland, railroad executive of Berkeley Park as the association leader.

Other officers installed were: Vice-presidents L. C. Keading of Richmond, J. Graham Sullivan of Danville, George Bowersox of Concord and R. P. Copeland of Richmond; corporate secretary, Agnes N. Groom of Pittsburg; treasurer, Milton E. Gross of Martinez, and manager, Mrs. Iona M. Booth of Martinez.

Twenty-one of the association's 63 man board of directors were also installed.

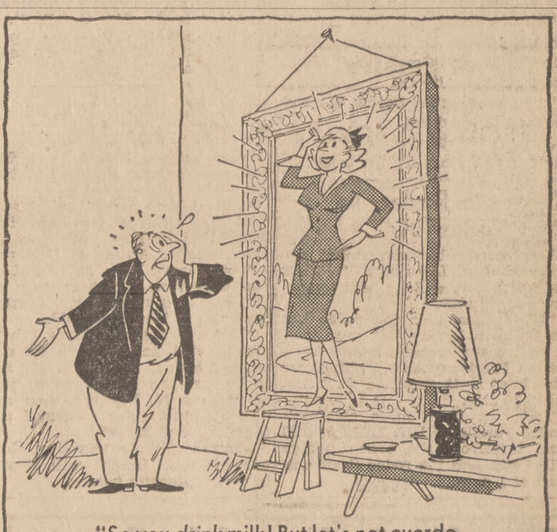

Rites Held For Julia Pauloff

Services were held for Mrs. Julia Pauloff, 64, at the Chapel of The Valley Tuesday at 9 a.m.

Her home was at 3320 Walnut Lane, Lafayette. Mrs. Pauloff died Sunday in a Berkeley Hospital after a long illness.

After services at Chapel of the Valley, a requiem mass was said at 9:30 at St. Mary's Church in Walnut Creek. Interment followed at St. Mary's Cemetery in Oakland. The Rosary was said Monday evening.

Mrs. Pauloff's husband died last January. She is survived by a daughter, Mrs. E. E. Cropsey of Lafayette, and sons Peter K. Pauloff of Independence, Iowa, and J. Pauloff of Waterloo, Iowa.

Super Saver Team Right in Market To Top League

The Walnut Creek Softball League appears to be in for one of its best seasons as far as team balance goes and one of the nines which rates with the best is the Super Saver club of Lafayette.

SPONSORED BY Harold Levy, genial owner of the Super Saver Market in Lafayette, the club enters its second season of league play with an impressive practice record.

In their opening practice session they dropped a 10-1 game to the Eagles and then proceeded to hit the victory trail as they dropped the Martinez Yacht Club 6-5, took the Concord Cleaners to the cleaners 16-2, short circuited the Concord Electric 10-4 and sunk the Port Chicago Naval Depot 3-0.

MANAGER Lenny Gomez started league play off in fine style when he came through with a brilliant 8-5 wine over Grodin's in an overtime tilt that saw the Super Savers come through with a late inning rally to come from behind and go on to register the win.

In the second league game Super Saver lost a 1-0 heartbreaker to Tiny's Hut and were toppled in game number three when Gus Teicheira was in brilliant form as he pitched Rick's Drive Inn to a 12-1 win.

THE PENNANT RACE looks to be a wide open affair and the Super Saver promises to be in the thick of the fight. John Daylong, Andy Daylong and Chuck Reglio form a top battery along with catcher Ralph Ligon.

The team appears to have balance and what's very important, the ability to come from behind.

Ace of the pitching staff, John Daylong, is a steady thrower with an unusual amount of control that gives opposing batsmen no end of trouble.

Girls Split Twin Bill with Byron

The Walnut Creek Walnettes split a twin bill with the Jason's All-Stars of Byron Wednesday night in the Walnut Creek City Park.

The Walnettes is a girls softball team sponsored by Thompson Electric Co., Walnut Creek Sheet Metal and McCall Realty Co.

The girls took the opener 6-4, and dropped the nightcap, 7-0.

Joyce Lloyd did mound chores for the full 14 innings for the locals.

Livermore Rodeo To Start Tomorrow

Livermore's biggest annual attraction, the Livermore "world's fastest," rodeo, will be held tomorrow and Sunday.

"More interest in the rodeo has been shown locally this year than in past years," reports Rodeo Association President A. D. Fellingham. The interest is reflected in ticket sales, he said.

Today at 10 a. m. a children's Rodeo Parade will be held. At 9:30 a.m. tomorrow the rodeo parade will begin and the rodeo itself will start at 1 p. m.

Forbrag's, Tiny's Win in Twin Bill

In a double header last Friday night Forbrag's Realtors smashed the Parks Jets softballers in the opener 11-1 and Super Saver was edged by Tiny's Hut 2-0 as the first week of the season ended.

At the end of the first inning, Parks and Forbrag's stood even 1-1. After that, the game was all in the hands of the real estaters who picked up at least two runs in each inning to lead at the end of the sixth 11-1.

Because of a league rule that a game ends when one team has a 10-run edge, the seventh inning wasn't played.

Guy Stanley, who pitched for the winners, allowed but two hits. Losing hurler Jesse Oden gave up 13 hits to Forbrag's.

The nightcap came was tight all the way. The score stood at 0-0 as the teams started into the last frame, when Tiny's came through with two runs to gain the victory in the bottom half of the inning.

Harry Dunham pitched for the barnen, allowing only two hits and triking out five batters. The losing noundsman, Johnny DeLong, whiffed eight oponents, but pitched into four hits.

Rick's Murders Super Saver Nine

The Rick's Drive-Inn softballers slaughtered the Super Saver team 12-1, and Grodins was smashed by the Nevada Club of Antioch in a non-league tilt, 10-2, in a double-header at the Walnut Creek City Park Tuesday night.

Pitcher Andy DeLong gave away five hits and six runs in the first two innings of the opener to be replaced by his brother, John DeLong, in the third by the Super Saver manager.

In his first inning on the mound, John held Rick's to one of their two scoreless frames.

Super Saver scored its lone tally in the bottom half of the third. John Nourse took the heavy batting honors for the winning Rick's horsehiders, belting two homers that drove in a total of six runs.

Winning pitcher Gus Teicheira allowed five hits while the second DeLong gave out seven.

Grodins looked good in an exhibition game, leading 2-0 at the end of the fourth inning. The Nevadans exploded in the fifth to tally three and had a field day in the top of the seventh, adding seven more markers to the scoreboard.

Irwin Mattson Leaves By Plane For Europe

Irwin Mattson, 3574 Terrace Way, Lafayette, left for Europe by plane last night.

Mattson, who is a physical education instructor at Acalanes High School, left for New York from the San Francisco Airport at 11:55 p.m.

"I will leave New York for London tomorrow, and from then on I'm just going to visit as many countries as I can," he said.

"The only definite plans I have are to visit an Uncle in Sweden whom I haven't seen since 1924, and to be sure and get the plane back on August 17. Between then and now I'm just going to travel and take lots of pictures."

Mattson will be traveling alone and his wife Lurene will remain in their Lafayette home.

Tinys Drops Tough One to Forbrag's

Tiny's Hut dropped a heartbreaker to Forbrag's Realtors softball team in a single game Monday night at the City Park as they came out on the short end of a 2-1 score.

The first two innings passed scoreless and Tiny's put their single tally on the board in the top half of the third.

The fourth, fifth and sixth innings also passed scoreless, and Tiny's chucker, Ed Bill, seemed on the way to a no-hit victory.

Tiny's was retired in the bottom of the seventh with no runs, and the first Forbrag batter was put out, with the score still 1-0, Tiny's.

With one out, Dave Pereira, Forbrag's manager, came to the plate as a pinch hitter to break Bill's no-hit streak with a double.

One hit and two errors later, the game ended with Forbrag's on top of a 2-1 score.

Winning pitcher Art Heasells had four hits chalked up against him.

Don Nine Loses To Albany 5-0

The Acalanes nine ended the 1953 season with a 5-0 loss to Albany High and finished up in third place in the league with a .500 record of six wins and six losses.

In the first inning the Albany Cougars chalked up three tallies and it wasn't until the last that the Dons came close to scoring.

The game was the last for seniors Richard Davis, Todd Sorensen, Rick Johnson, Andy Monsen and Jerry Henderson.

Team Standings

The following are the team standings of the Walnut Creek Softball Association as of Wednesday night after a week and a half of play.

Team	W	L	Pct.
Ricks	2	0	1.000
Tiny's Hut	2	1	.667
Forbrag's	2	1	.057

Your Garden

Crabgrass Control Starts Now If You Want to Keep That Lawn Pest Down

By BERT WRIGHT

DEPENDING ON WHERE YOU LIVE, crabgrass is either already with you — or is just about to sprout. But wherever you are, wait no longer to declare war on this, the worst lawn pest.

Crabgrass is an annual, coming from seed, not rhizomes or rootstocks. The seeds may remain in the soil for several years before sprouting; hence one year's treatment is no permanent cure-all.

Control remains an annual gardening chore. The pest thrives where bluegrass becomes weakened or dormant from starvation, drought or close mowing. The best prevention measures are early spring plant food application, keeping the mower set at 1½ to 2 inches and watering thoroughly during June dry spells. Even the best "preventatives" however, cannot be guaranteed "cures."

Crab Grass Killer takes on this pest when good turf cultural practices can do no more. Apply Crab Grass Killer now, while crabgrass is in the two-or-three-leaf stage.

For best results, repeat the application at 10-day intervals to take care of seedlings that emerge later on.

Don't be surprised if your lawn grass is temporarily singed by the Crab Grass Killer. After all, it is a grass killer, although its effect on desirable turf grasses is superficial and will disappear after one or two mowings.

One heaping tablespoonful dissolved in a gallon of water and applied with a pressure sprayer will cover 100 square feet of lawn. Use 1½ tablespoons per gallon for 100 square feet with sprinkling can application.

Don't wait until hot, dry weather arrives and the crabgrass becomes tough and ready to mature. Your chances of elfminating one year's crop of seeds become slim with late season applications.

Carter-Araujo Fight on TV at Stadium Tonight

Tonight's world's championship fight will be televised at Contra Costa Stadium as an added attraction to the weekly hard top racing program.

Promoter Gene Marsh of Walnut Creek has had two television sefs installed, at the local speedway so racing fans can come early and see Jimmy Carter defend his lightweight crown against George Araujo.

Following the fight, the BCRA drivers will turn their qualifying rounds and get the first race underway at 8:30 p.m. The fight will start at 7 p.m.

Mrs. Biby says, "No matter how scattered our family may be, we never lose touch. The telephone connects us, night or day."

THE BIBYS' TELEPHONE: A MEMBER OF THE FAMILY

"Low-Cost Family Helper" is how the Edward Bibys describe their telephone

At eleven o'clock one night recently, the telephone rang in the home of Edward E. Biby, owner of a small Los Angeles mattress factory. His son Jim—a senior at USC—was calling. "Dad, my jalopy's broken down, and if I don't get my date back to her sorority house before midnight, we're both in the soup." Like other dads, Ed Biby jumped into his car and rode off to the rescue. Later, he said, "That's typical of how the telephone works in our home. It's a real member of the family."

At your service for pennies a call

The Bibys—like other families throughout the West—have found that while their taxes and the cost of most things they buy for their home have gone away up, telephone rates have remained low. So low, that the telephone still carries their messages for pennies a call. No wonder it's rated a bargain in the Bibys' budget.

YOUR TELEPHONE IS ONE OF TODAY'S BEST BARGAINS

Like other businessmen, Mr. Biby doesn't always find enough hours in the day to finish his work. But his home telephone permits him to make the few necessary evening telephone calls his business requires while he enjoys his family. And Mrs. Biby describes son Jim and daughter Jean as "telephone children," who make good use of the telephone in their school activities. Mr. Biby, speaking of the telephone, said, "There are few things we buy today that do so much—and cost so little."
